## **CANCELLING OF FUTURE EVENTS**

When you record a case disposition of WAV (Waiver) on a criminal court case, a pop-up window will now appear with a question asking if you would like to cancel future events. Answering Y (Yes) will remove the future event(s) from your calendar.

## **SERVICE CHARGE**

The MDJS Help Desk has received several inquiries about the change in the amount of service charges that can be assessed to a defendant convicted of a violation of 18 Pa.C.S. § 4105 (Bad Checks). Act 70 of 2007 which went into effect on Feb. 16, 2008, increased the service charge that may be imposed from \$20 to \$50 provided that written notice of the service charge was conspicuously displayed on the payee's premises when the check was issued. Any such service charge imposed shall not exceed \$50 unless the payee is charged fees in excess of \$50 by financial institutions as a result of such bad check or similar sight order for the payment of money. If the payee is charged fees in excess of \$50, then the service charge shall not exceed the actual amount of the fees.
