54-3-02 Realign

54-3-03 Realign

Night/Central/Alternate Court Operations

This judicial district utilizes the following diversionary courts to assist in balancing workload:

Central Court: **No** Night Court: **No**

Public Comment

Proposal Posted for Public Comment: **Yes** Comments Received: **Yes**

Big Run Borough Council President opposes removing Big Run Borough from 54-3-01 because it is an additional ten miles to the proposed receiving court - which will increase costs and compromise safety during the winter months.

- Propose to realign all three magisterial districts to bring workload closer together.

Notes on Analysis:

CASELOAD: The statistics provided are used to compare the average annual caseload of each magisterial district to the class of county average as one measure to assess whether any changes should be proposed. Reported values are provided by the judicial district; the comparison values are provided by the MDJS.

WORKLOAD: Where the average annual workload of a magisterial district is greater/less than 15% of the judicial district's workload average, the judicial district should realign - OR - explain why this difference does not impact workload equity within the judicial district. A value that is green indicates it is within range; red requires justification if realignment or elimination are not proposed.

To All Citizens of Jefferson County (The 54th Judicial District of Pennsylvania),

Every ten (10) years after the U.S. Census is completed, the President Judge of each Judicial District of Pennsylvania is challenged to review the lines of their respective Magisterial Judicial Districts.

Although this time to evaluate coincides with a population count, the court is charged with looking at the average case loads of each district over the last ten (10) years.

Our current lines were set by President Judge Morris in 1970. Since that time, Big Run, Corsica, Falls Creek, and Summerville Boroughs as well as Snyder Township have disbanded their municipal police forces. Brockway, Reynoldsville and Sykesville have significantly reduced their municipal forces, as well as the Pennsylvania State Police having changed barracks several times. Also, since that time there has been many demographic shifts in population from boroughs out to the townships and consolidation of several elementary schools in the various school districts.

After review of all the data and in order to equalize the districts in size and shape, as well as population and caseload; the following changes are necessary:

MDJ 54-3-01 Douglas R. Chambers will concede Big Run Borough and consume Ringgold Township and Worthville Borough.

MDJ 54-3-02 David B. Inzana Esq. will consume Big Run Borough and Polk Township.

MDJ 54-3-03 Gregory M. Bazylak Esq. will concede Polk Township, Ringgold Township and Worthville Borough.

If you should have any objections to these changes please put them in writing to the Jefferson County Court of Common Pleas (200 Main St., Brookville PA 15825) on or before May 7th, 2012.

Sincerely,

President Judge John H. Foradora
