

IN THE COMMONWEALTH COURT

In Re Nomination Petition of: :
 : **Election Matter**
William Parker as Candidate :
for the Democratic Nomination : **No. ____ MD 2024**
for United States Senator :

PETITION TO SET ASIDE NOMINATION PETITION

Judith Ann Golding Baker, Elaine Petrossian, and Alexander Rose, by and through undersigned counsel, respectfully aver that:

Jurisdiction and Standing

1. This Court has jurisdiction in election petition challenges pertaining to candidates for United States Senator. *See* 25 P.S. §§ 2913(a), 2937.
2. Judith Ann Golding Baker is a duly qualified elector of the Democratic Party, who lives at 226 W. Rittenhouse Square in the City of Philadelphia.

3. Elaine Petrossian is a duly qualified elector of the Democratic Party, who lives at 1523 Melon Street in the City of Philadelphia.
4. Alexander Rose is a duly qualified elector of the Democratic Party, who lives at 2320 Patterson Street in the City of Pittsburgh.
5. The deadline for filing election petitions to appear on the 2024 primary ballot was 5 pm on February 13, 2024.

Mr. Parker's Filing Efforts

6. Upon information and belief, Mr. Parker arrived to file petitions for the United States Senate race at approximately 3:10 pm on February 13, 2024.
7. Upon information and belief, the Department of state filing staff reviewed Mr. Parker's putative petitions for facial completeness as they must pursuant to 25 P.S. § 2936.
8. That review was not completed until after 5 pm. *See Exhibit A* at ¶¶ 7-8.
9. Mr. Parker made no effort to correct these signatures until well after the deadline for filing. *See id.* at ¶¶ 9-12.
10. Upon information and belief, Mr. Parker's petitions were rejected because they were facially incorrect, specifically because on many pages the

circulators (often Mr. Parker) wrote their own county rather than that of the petition signers. *See* Exhibit A.

11. Had Mr. Parker modified the circulator statements that he himself signed prior to the deadline, the petitions almost certainly would have been challenged, but Mr. Parker would have been permitted to argue a timely cure.
12. On February 15, 2024, Mr. Parker commenced a mandamus action to allow him to cure his fatal error.
13. A copy of that mandamus petition is attached hereto as Exhibit A.
14. That action was docketed at this Court at 56 MD 2024.
15. There is no evidence of any reason why the mandamus petition was not filed immediately or, at the latest, promptly after court opened on February 14.
16. Following communication of non-opposition by the Department of State, this Court granted mandamus to allow a filing of the petitions, together with an affidavit putatively correcting such petitions, by February 22, 2024. The Court also extended until February 29 the time for filing and serving challenges to such petitions.
17. On February 22, 2024, Mr. Parker submitted 136 pages of petitions, many of them twice in an apparent attempt to increase the volume of his petition,

containing 2355 lines or part thereof, including more than 100 missing all or significant information (the 2355 total lines are calculated by counting from line 1 of a page through the last line completed, even if an entire block of lines is skipped).

18. A copy of Mr. Parker's petition filed on February 22 is attached hereto as Exhibit B.
19. A list of the 136 pages on Exhibit B, after removing duplicate copies of certain pages, and the lines thereon, totaling 2355, is attached hereto as Exhibit C.
20. On February 22, Mr. Parker also filed a "supplemental circulator's statement" a copy of which is attached hereto as Exhibit D.
21. Despite only filing 136 pages on February 22, Mr. Parker's mandamus petition asserted 140 pages and his supplemental affidavit invokes pages 138 and 139.
22. In fact, to the Objectors' knowledge, there is no evidence that these are the complete and accurate set of petition pages were all presented to the Department of State before the February 13 deadline.

Count I – Late Filing; Unclean Hands

23. This Court did not have the authority to extend the time for initial filing of Mr. Parker's petitions, and thus the filing was late.
24. While the Court does possess mandamus powers to cause the filings to be received, the Court may not extend the deadline, absent extraordinary circumstances.
25. Even to the extent that the Court may have authority to grant mandamus relief to extend the deadline, it may not do so where the mandamus action is brought after the deadline, again barring extraordinary circumstances.
26. Mr. Parker had no extraordinary circumstances requiring a late filing of mandamus; even if the courts were closed on February 13 already, he delayed two days to bring the action.
27. The deadlines for election filing are statutory and non-waivable.
28. For these reasons the filing should be rejected in full.
29. There is no evidence of any reason why that petition was not filed immediately or, at the latest, after court opened on February 14. In the election context, that extra day is fatal.

Count II – Doctoring of Petitions After the Filing Deadline
Should Vacate the Right to a Late Filing

30. Mr. Parker was authorized by this Court *per curiam* to submit, by February 22, to the Department of State “**the original nomination petition pages** Along with a sworn supplemental circulator affidavit in the form as agreed to by the parties.” Order of February 16 in 56 MD 2024 (emphasis added).
31. As Mr. Parker makes clear, the petitions that he himself circulated for Dauphin, Montgomery, and Philadelphia Counties reflected at the deadline that the voters resided in Allegheny County.
32. However, in addition to providing the supplemental affidavit, on each such page, Mr. Parker (or someone on his behalf) physically altered the original petitions by scratching out Allegheny County and replacing it with the correct county.
33. Despite the Court’s exceeding, and arguably errant, generosity in allowing a late supplement, Mr. Parker did not, in fact, comport with the Court’s requirement. Instead, by doctoring the petitions, he has violated the Court’s order and has forfeited all benefit of such order.

Count III – Insufficient Signatures Filed

34. Candidates for the United States Senate are required to file nomination petitions containing two thousand valid signature lines. 25 P.S. § 2872.1(2).

Line-by-Line Objections

35. Of the 2355 lines filed by Mr. Parker, 2165 lines are challenged for the reasons set forth on Exhibit E hereto, a spreadsheet comporting with the format of this Court. Any other challenges that may lie are preserved to such lines to the extent permitted by applicable law.

36. As such, Objectors assert that Mr. Parker only filed 190 valid lines, well short of the required 2,000.

37. The pages Mr. Parker filed are replete with obvious fraud that would have been easily observable to any candidate who reviewed them, let alone one who had nine extra days to do so.

38. There are hundreds of lines in the packets which have been altered, either to include a correct city or a correct date. While many of those lines are now challenged on a line-by-line and circulator basis, neither objectors nor the Court will have any ability to determine when such changes were made due to Mr. Parker's demonstrated willingness to alter the original documents.

Full Page Objections

39. In addition to the line-by-line challenges shown on Exhibit E, 56 full pages are objected to as set forth below.

- a. Each page of a nomination petition must be accompanied by a statement signed by the circulator pursuant to the penalties of false statement to authorities. Therein, the circulator must truthfully assert a number of factors, including, that the circulator is a registered voter of the relevant (in this case Republican) political party and that each of the signers of the petition was, *inter alia*, the person who signed their name and that they knew the contents of the petition and were authorized to sign the petition and that they did in fact do so.
- b. Page 14 contains a circulator's statement that was altered by someone other than the maker to add the county of signers and such alteration was after completion by the putative circulator and, upon information and belief, after the deadline for filing.
- c. Page 15 contains an altered statement of the circulator, who was allegedly Mr. Parker. But this page was not cured by the purported correcting supplemental affidavit, and thus all four lines therein are invalid.
- d. Pages 40 and 41 were circulated by at least two different individuals and there is no indication as to which circulators attest as to which lines, and thus all lines therein are invalid for failure to include a proper circulator's statement.

- e. Pages 42, 43, 50, 51, 60, 61, 66, and 67 were obviously facially doctored as to almost every line therein. All of these pages were purportedly circulated by Alayah Thompson. As such, either (i) the doctoring was prior to signing by Ms. Thompson and thus she signed the statement knowing that the statement therein was false, or (ii) the doctoring was after she signed the document and thus the statement was invalidated by the following action. Under either circumstance, the entire statement, and thus every line, is invalid.
- f. Pages 45, 46, and 58 were, upon information and belief, signed by two circulators who each circulated a portion of the page in violation of state law, and the statements of the circulator was thereafter altered, and all lines therein are thus invalid.
- g. Pages 62 and 63 contain as the name of the circulator the same person who signed several pages earlier in the packet as a circulator. However, the signatures on these pages do not match either the earlier signatures nor the SURE system signature, and thus these entire pages and each line therein are challenged as not containing a valid circulator's statement.
- h. Pages 73-79, 81-96, 99-112, 115-117, 122-124, 126, 127, and 130-134 are challenged because at the deadline for filing they misstated the county of petition-signers' residence as Allegheny but, in fact, the pages were circulated in Philadelphia County. As described more fully above, while the statement was later altered, the alteration was done late and in an illegal manner and, if not done by Mr. Parker personally, would invalidate the statement he had previously signed.

- i. Additionally, amongst the pages allegedly circulated by Mr. Parker discussed in the immediately preceding paragraph, there was mass “correction” of the petitions on pages 74, 89, 91, 94, 96, 99, 107, 108, 109, 110, and 127. As such, either (i) the doctoring was prior to signing by Mr. Parker and thus he signed the statement knowing that the statement therein was false, or (ii) the doctoring was after the document was signed, and thus the statement was invalidated by the following action. Under either circumstance, the entire statement, and thus every line, is invalid.
- j. Pages 97 and 98 were obviously completed in part (as to almost every city name and date) by the same hand. These pages were all purportedly circulated by Tameka Epps. There is no way that Ms. Epps could have made a truthful circulator statement based on this clear petition fraud.
- k. Pages 118 through 121 each contain a circulator’s statement that does not have a signature that is in any manner consistent with the signature on the SURE system signature, and thus these entire pages and each line therein are challenged as not containing a valid circulator’s statement.

Prayer for Relief and Costs

40. Because Mr. Parker submitted late, then doctored his petitions, and did not submit sufficient signatures, this Court should set aside his nomination petition.
41. In fact, had Mr. Parker solely refused to submit the myriad pages full of doctored lines and petition fraud, including 11 pages that he allegedly personally circulated, he would have not been able to file.
42. The bad faith conduct is sufficient to make it just for Mr. Parker to be charged with the costs of this matter pursuant to 25 P.S. § 2937, particularly if he persists in this wrongdoing and forces the costs of a court reporter and other further expenses. Objectors reserve any possible claim for attorneys' fees, in accordance with *In re Doyle*, until after the litigation of this matter.

WHEREFORE, Petitioner prays this Honorable Court remove Mr. Parker as a candidate for the United States Senate and charge costs of this proceeding, including that of the court reporter and SURE system operator, to Mr. Parker.

IN THE COMMONWEALTH COURT OF PENNSYLVANIA

WILLIAM PARKER

Petitioner,

EMERGENCY PETITION
FOR WRIT OF MANDAMUS

PENNSYLVANIA DEPARTMENT OF
STATE BOARD OF ELECTIONS

Respondent,

EMERGENCY PETITION FOR WRIT OF MANDAMUS

AND NOW, comes the Petitioner William Parker, Pro Se, to file this Writ of Mandamus, and in support thereof asserts the following.

1. The Petitioner, William Parker is a Pennsylvania resident residing in Allegheny County at 4808 Brown Way Pittsburgh, PA 15224.
2. The Respondent, Pennsylvania Department of State Board of Elections is a governmental agency in the State of Pennsylvania located in Dauphin County, Harrisburg, PA.
3. The Commonwealth Court of Pennsylvania has jurisdiction to take action in this matter pursuant to 42 Pa. C.S. § 761.
4. The Petitioner William Parker is a qualified candidate for United States Senate in the State of Pennsylvania.

5. The Petitioner William Parker personally collected over 1000 signatures himself to appear on the 2024 primary ballot as a candidate for United State Senator.
6. The Petitioner William Parker primarily circulated his statewide nomination petitions in Allegheny and Philadelphia Counties.
7. On February 13, 2024, the Petitioner filed his nomination petitions with the Pennsylvania Department of State Board of Elections at 3:10pm and submitted 140 petition pages which contained over 2000 signatures along with the \$200.00 filing fee and a notarized Candidate's Affidavit. (Please See Attached Exhibit A).
8. At 6:23pm the Petitioner was still inside the waiting area of the Keystone Building in Harrisburg, PA when he received notice that his nomination petitions were rejected.
9. The Petitioner William Parker was also given a Nomination Petition Rejection Notice in paper form Log Number: 2024C0826 which stated that the nomination petition pages cannot be accepted for the following reasons being, Invalid Affidavit of Circulator and Insufficient Number of Valid Signatures as a result of the incorrect circulator statement that contained an error on line 1. County of Petition-Signers' Residence. (Please See Attached Exhibit B).
10. The Petitioner was told that he had mistakenly written the wrong county of signer's on the back of the petitions he circulated in the circulator statement section after he collected signatures in Philadelphia, Montgomery and Dauphin Counties. (Please See Attached Exhibit C).
11. The Petitioner William Parker was informed he had written his county of residence which was Allegheny. (Please See Attached Exhibit C).
12. The Petitioner then asked two Pennsylvania Board of Election employees if he could simply

correct the error and he was told that since the statutory deadline of 5:00pm had passed they could not allow the Petitioner to make any amendments without a court order.

13. The Petitioner was told by the two Pennsylvania Board of Election employees that if they would have noticed the simple error before the 5:00pm statutory deadline they would have allowed the Petitioner to make the correction.

14. The Petitioner was then verbally instructed by the two Pennsylvania Board of Elections employees to file a Petition for Writ of Mandamus and ask for a leave to amend his nomination petitions.

15. In the comment section of the Nomination Petition Rejection Notice, it stated, If the candidate is unable to correct the defects noted above on or before the Statutory deadline, the only recourse is filing of Mandamus action in Commonwealth Court, pursuant to Section 976 of the Pennsylvania Election Code, 25 P.S. sec. 2936. (Please See Attached Exhibit B).

16. The Petitioner was told by the two Pennsylvania Board of Election employees that they could not count any further signatures that remained on the nomination petitions that were deemed to be invalid due to the error mentioned above within the circulator statement.

17. The Petitioner did correctly display the county of signers on the front face side of the nomination petitions that he collected in Philadelphia, Montgomery and Dauphin Counties. (Please See Attached Exhibit D).

18. The Secretary of the Commonwealth or the Pennsylvania Board of Elections employees had a duty to examine, accept and file the Petitioner William Parker's nomination petitions pursuant to Rule 976 of the Pennsylvania Election Code.

19. The Petitioner has a clear right to relief and should be allowed to amend his nomination petitions and correct the error located in the statement of circulator section on the back of the nomination petitions that he personally circulated himself. Case law cited, *Ochman Appeal*, 364 Pa. 525, 73 A.2d 34 (Pa. 1950).
20. There is no other adequate remedy of law that would allow the Petitioner to correct the error then resubmit and file his nomination petitions with the Pennsylvania Board of Elections.
21. The Petitioner is a qualified candidate for the said office of United States Senator and not allowing him to run for office and have his name placed on the ballot would be a disenfranchisement to the electors who signed his nomination petitions and ultimately the Petitioner's candidacy.

WHEREFORE, the Petitioner prays that this Honorable Commonwealth Court grants the Petitioner leave to amend the nomination petitions that bear the Petitioner's name in the circulator statements in which he personally collected himself or any other remedy available. Upon the curation of the said defects within the circulator statement of Petitioner's nomination petitions the Petitioner prays that this Honorable Commonwealth Court requires the Pennsylvania Department of State Board of Elections to accept and file William Parker's nomination petitions. If any further explanation is needed the Petitioner would respectfully request a hearing before the Honorable Commonwealth Court of Pennsylvania regarding this matter.
