**PETITION TO SET ASIDE NOMINATION PETITION**

Pursuant to 25 P.S. § 2937, Petitioners/Objectors Stephen Schlauch and David Majernik, submit this Petition to Set Aside the Nomination Petition of Brandi Tomasetti, putative candidate for United States Senator for the Republican party, and aver as follows:

**PARTIES AND JURISDICTION**

1. Petitioner/Objector, Stephen Schlauch, resides at 5040 Hiawatha Drive, Pittsburgh, PA 15239 and is a qualified elector of the Commonwealth of Pennsylvania and a registered Republican.

2. Petitioner/Objector, David Majernik, resides at 932 Rockland Drive, Pittsburgh, PA 15239 and is a qualified elector of the Commonwealth of Pennsylvania and a registered Republican.

3. Respondent Brandi Tomasetti resides at 1108 Sterling Pl, Lancaster, PA 17603 and purports to be a candidate for United States Senator for the Republican party in the 2024 primary election.

4. The Court has original jurisdiction over this Petition under 42 Pa.C.S. § 764(2) and 25 P.S. § 2937.

### **BACKGROUND**

5. On February 13, 2024, the deadline to file nomination petitions with the Commonwealth Secretary of State, Bureau of Elections, Respondent Tomasetti attempted to file nomination petition for to appear as a candidate for the office of United States Senator in the Republican party primary election on April 23, 2024.

6. However, under 25 P.S. § 2936, the Commonwealth rejected Respondent's nomination petitions because of material defects apparent on the face thereof.

7. Three days later, Respondent petitioned this Court for a writ of mandamus to compel the Commonwealth to accept her nomination petition.

8. On February 20, 2024, this Court granted Respondent's petition for a writ of mandamus and entered an order permitting Respondent

to file with the Secretary of the Commonwealth until February 22, 2024 at 3:00 p.m. to file Respondent’s “original nomination petition pages, Candidate’s Affidavit, Statement of Financial Interest, and filing fee . . . along with a sworn supplemental circulator affidavit(s) in the form as agreed to by the parties.” *See* Order dated February 20, 2024, *Tomasetti v. Schmidt*, 60 M.D. 2024.

9. This Court further ordered that any objections to Respondent’s nomination petitions and affidavits shall be filed on February 29, 2024 by 4:00 p.m. *Id.*

10. On February 22, 2024, pursuant to this Court’s order, Tomasetti caused to be filed with the Secretary of the Commonwealth, papers alleging to be the Nomination Petition of Brandi Tomasetti (the “Tomasetti Nomination Petition,” or the “Nomination Petition”). A copy of the Tomasetti Nomination Petition and Candidate Affidavit are attached at Exhibit A.

11. The Tomasetti Nomination Petition seeks to have the name of Brandi Tomasetti certified for nomination at the Republican Primary Election to be held on April 23, 2024, as a candidate for United States Senator, a statewide office.

12. The Pennsylvania Election Code requires that nomination petitions filed by candidates for United States Senator contain 2,000 valid signatures from registered and enrolled members of the political party for whom the nomination is sought. 25 P.S. § 2872.1(2); *In re Vodvarka*, 994 A.2d 25, 26 (Pa. Commw. Ct. 2010).

13. Likewise, the Election Code requires that nomination petitions must be *circulated* by a member of the party for whom the nomination is sought. 25 P.S. § 2869.

14. In this case, that is the Republican party.

15. The Tomasetti Nomination Petition contains a total of 2,109 signature lines.

16. The total number of signature lines challenged is 408.

17. As explained below, those 408 signature lines are invalid and should be stricken.

18. Additionally, in defiance of this Court's order, on the circulator affidavit on page 12 of Richard Drury, Tomasetti replaced Drury's statement with a circulator statement from herself.

NOTE: THIS STATEMENT MUST BE COMPLETED AFTER ALL SIGNATURES HAVE BEEN OBTAINED.		

19. Accordingly, the Court should set aside the Tomasetti Nomination Petition because material defects reduce the total number of valid signatures below the 2,000-signature threshold required by the Election

Code. *In re Nomination Petition of Driscoll*, 847 A.2d 44, 49 (Pa. 2004) (“According to section 977 of the Election Code, where a court finds that a nomination petition is defective pursuant to the provisions of section 976, the petition shall be set aside.”)

## ARGUMENT

### I. DEFECTIVE CIRCULATOR STATEMENT: CIRCULATOR IS NOT A REGISTERED REPUBLICAN (66 INVALID SIGNATURES)

18. Petitioners/Objectors incorporate the previous paragraphs by reference.

19. Under 25 P.S. § 2869, the circulator of a nomination petition shall be “duly registered and enrolled as a member of the party designated in the petition.” *Id.*

20. Signatures collected by a circulator who is not a member of the party designated on the petition are invalid and should be stricken. *In re Wheeler*, 293 A.3d 744 (Pa. Commw. Ct. 2023); *In re Nomination Petitions of Smith*, 182 A.3d 12 (Pa. Commw. Ct. 2018).

21. Pages 153, 216, 217, and 280 of the Tomasetti Nomination Petition contain 66 signatures and identify the circulator as “Ray Zong.”

22. However, Zong is not a registered Republican and, thus, the

signatures appearing on page 153, 216, 217, and 280 should be stricken.

23. Therefore, the Court should reduce the number of signatures on the Tomasetti Nomination Petition by 66.

## II. DEFECTIVE CIRCULATOR AFFIDAVIT – SUBSTITUTED AFFIDAVIT

24. This Court’s February 20, 2024 order is clear. Tomasetti was required to resubmit her “original nomination petition pages, Candidate’s Affidavit, Statement of Financial Interest, and filing fee . . . along with a sworn supplemental circulator affidavit(s) in the form as agreed to by the parties.” *See* Order dated February 20, 2024, *Tomasetti v. Schmidt*, 60 M.D. 2024.

25. That is not what Tomasetti did.

26. Page 12 of her *original* nomination pages contained a circulator statement of Richard Drury III.

27. Page 12 of her resubmitted nomination pages contains a circulator statement from Tomasetti.

28. Tomasetti did not obtain Court approval to submit Drury’s statement for her own.

29. Tomasetti’s substitution of Drury’s circulator statement for her circulator statement not only violates the Court’s order it violates the

Pennsylvania Election Code. *In re Nomination of Flaherty*, 564 Pa. 671, 770 A.2d 327 (2001).

30. Accordingly, the Court should strike the 12 signatures appearing on page 12 of the Tomasetti Nomination Petition.

### **III. DEFECTIVE INDIVIDUAL SIGNATURES OR SIGNATURE LINES (342 SIGNATURES INVALID)**

24. Petitioners/Objectors incorporate the previous paragraphs by reference.

25. In addition to the invalid signatures or signature lines because of the global-circulator deficiencies, as many as 342 signature lines are exclusively defective for various reasons and, thus, should be stricken.<sup>1</sup>

26. Under this Court's July 19, 2023, Standing Order, the specific grounds for striking each signature are set forth in detail in the accompanying spreadsheet which is attached as Exhibit B and incorporated by reference.

27. The striking of the 342 exclusively defective signature lines

---

<sup>1</sup> Although Exhibit B indicates that certain signature lines contain multiple defects, each defect is only counted once. For example, if a signature line is indicated as defective because the signer is not registered at the correct address and not registered in the correct party, that signature line is not include in the total defective signatures for incorrect address *and* incorrect party.

for the reasons set forth in Exhibit B brings the total number of valid signatures on the Tomasetti Nomination Petition below the Election Code's mandatory minimum of 2,000 valid signatures of qualified electors of the Republican party.

28. Thus, the Court should set aside the Tomasetti Nomination Petition and declare it void and invalid.

**A. Signatures of Individuals Not Registered to Vote (55 invalid signatures).**

29. "To be eligible to sign a nomination petition, the elector must be registered to vote and a member of the party designated on the nomination petition at the time of signing the petition." *In re Morrison-Wesley*, 946 A.2d 789, 794 (Pa. Commw. Ct.), *aff'd sub nom. In re Nomination Petition of Morrison-Wesley*, 944 A.2d 78 (Pa. 2008). 25 P.S. § 2868; 25 P.S. § 2872.1(2).

30. As set forth in specific detail in Exhibit B, the Tomasetti Nomination Petition contains 55 signatures of individuals who are not registered to vote. *See* Ex. B, Column D, (Code NR).

31. Accordingly, the total number of valid signatures on the Tomasetti Nomination Petition should be reduced by 55.

32. Excluding overlaps, the invalid signatures from non-

registered individuals combined with the signatures appearing on the invalid signatures on the pages circulated by the non-Republican Zong alone bring the Tomasetti Nomination Petition below the 2,000 signature threshold.

**B. Signatures of Individuals Not Registered as Republicans (90 invalid signatures).**

33. The Tomasetti Nomination Petition contains as many as 90 signatures from individuals who, while registered to vote, are not registered members of the Republican party. *See* Ex. B, Column F (Code NRCP).

34. As the Election Code requires that an elector be registered to vote *and* a member of the party designated on the petition at the time of signing, the Court should reduce the number of valid signatures on the Tomasetti Nomination Petition by 90.

35. A reduction of the Tomasetti Nomination Petition for those signatures from individuals who are not registered Republicans combined with either the total invalid signatures on the Zong petitions or the signatures from individuals not registered to vote brings the Tomasetti Nomination Petition below the 2,000-signature threshold.

**C. Signatures of Individuals Not Registered at Address Stated (63 invalid signatures).**

36. 25 P.S. § 2868 requires a signer of a petition to, among other things, include the “address where he is duly registered and enrolled.”

37. A signature line that includes an address different from that where the signer is “duly registered and enrolled” is invalid and should be stricken. *In re Major*, 248 A.3d 445, 454 (Pa. 2021) (“We now hold the statute as amended plainly and unambiguously requires the signer to use the address where he or she is duly registered and enrolled, on pain of disqualification of the signature.”)

38. The Tomasetti Nomination Petition contains an additional 63 signatures from individuals who used an address different from where he or she is duly registered and enrolled. See Ex. B, column E (Code NRA).

39. Accordingly, the Court should reduce the Tomasetti Nomination Petition by 63.

**D. Signatures from Out-of-County (21 invalid signatures)**

40. Under 25 P.S. § 2869, signatures must be segregated by signers of the same county with different pages being used for signers from

different counties.

41. The Tomasetti Nomination Petition contains 21 signatures from individuals that reside in counties different from the county for which the petition was circulated.

42. Accordingly, the Court should reduce the signatures on the Tomasetti Nomination Petition by 21.

**E. Signature Lines with Missing or Omitted information (15 Invalid Signatures)**

43. “Each line on a nomination petition contains a space where the following information must be provided: signature of elector, printed name of elector, place of residence (including house number; street or road; city, borough or township) and date. *All this information must be filled out* in the hand of the signing elector.” *In re Vodvarka*, 994 A.2d at 26 (emphasis added).

44. The Tomasetti Nomination Petition contains at least 15 signature lines with missing or omitted information, such as missing house numbers, street names, and signing date. See Ex. B, Column K (Code LIO).

45. Accordingly, the Court should further reduce the number of signatures on the Tomasetti Nomination Petition by 15.

**F. Signature Lines With Illegible Information (76 invalid signatures)**

46. The information required by 25 P.S. § 2868 shall be legibly printed.

47. Illegible information should be stricken and not counted. *In re Nomination Petition of Delle Donne*, 779 A.2d 1 (Pa. Commw. Ct. 2001), *aff'd sub nom. In re Delle Donne*, 565 Pa. 561, 777 A.2d 412 (Pa. 2001).

48. As set forth in Exhibit B, there are 76 signatures that are so illegible as to preclude verification. *See* Ex. B, column J (Code ILL).

49. Accordingly, the Court should further reduce the signatures on the Tomasetti Nomination Petition by 76.

**G. Duplicate Signatures (2)**

50. Each signatory may only sign one petition once.

51. As set forth on the spreadsheet attached at Exhibit B, there are 2 duplicate signatures.

52. Accordingly, the Court should reduce the number of signatures on the Tomasetti Nomination Petition by 2.

**H. Initials and Nicknames (14 invalid signatures)**

53. The Court should strike signatures that use a “nickname” or

initials in place of the proper first name of a voter. *Piccirilli v. Lee*, 944 A.2d 840, 842 (Pa. Commw. Ct. 2008)

54. The Tomasetti Nomination Petition contains 14 signatures that use nicknames or initials rather than the signer's proper name. See Ex. B, column N (Code N/I).

55. Accordingly, the Court should reduce the number of signatures on the Tomasetti Nomination Petition by 14.

#### **I. Printed Signatures (6 invalid signatures)**

56. "An elector's name will be stricken where the elector prints his name upon a candidate's nomination petition so that it does not match his signature on his voter registration card." *In re Nomination of Flaherty*, 770 A.2d 327, 332 (Pa. 2001).

57. As set forth on Exhibit B, the Tomasetti Nomination Petition contains 6 signatures of the elector that are printed rather than signed. See Ex. B, Column O (Code PRI)

58. Accordingly, the Court should reduce the number of signatures by 6.

### **CONCLUSION**

59. As summarized in the chart below, the total number of valid

signatures on the Tomasetti Nomination Petition is no more than 1701, which is less than the 2,000 signatures as required by the Election Code to appear on the ballot as a candidate for United States Senator.

<b>Total Number of Signatures</b>	<b>2,109</b>
Total Signatures circulator not member of Republican party	(66)

## ELECTION SPREADSHEET DIRECTIONS

By order of the Commonwealth Court of Pennsylvania, all Petitions to Set Aside Nomination Petitions or Papers (objection petitions) must be filed either in paper format (original and one copy) or electronically, either by PACFile (the Pennsylvania appellate court electronic filing system) or by email to CommCourtFiling@pacourts.us. When individual elector signatures are challenged, the objection petition must be accompanied by a spreadsheet as specified in the Court's order and the directions below.

1. The objection petition shall specify the objections to individual signature lines in nomination petitions or papers and these shall be set forth in this spreadsheet .
2. Spreadsheet columns shall include, for each challenged signature line: page number, line number, county, and the reason or reasons for each objection. The spreadsheet shall designate the grounds for objection using the following abbreviations:

NR =	Not Registered
NRA =	Not Registered At Address
NRCP =	Not Registered in Candidate's Party
NRD =	Not Registered in District
NRDS =	Not Registered on Date Signed
OC =	Out of County
Ill =	Illegible
LIO =	Line Information Omitted
DUP =	Duplicate
IHA =	Line Information in Hand of Another
N/I =	Nickname/Initial
PRI =	Printed Signature
DCS =	Defective Circulator Statement
SAC =	Signed After Circulator's Statement Dated
Other =	Any ground for objection not listed above (specify the exact nature of the objection in the "Describe Other" cell)

Note: This list of abbreviations for the various grounds to object to a signature is also referred to as the "challenge codes key."

3. The objection petition shall clearly state the number of signature lines challenged as well as the total number of completed signature lines on the face of the nomination petitions or papers.
4. Any other objections, e.g., to circulator statements, candidate affidavits, etc., must be clearly and separately stated in the objection petition.
5. If filing the objection petition in paper format:
  - a. Objector shall attach to the objection petition as an exhibit a printed copy of the spreadsheet printed on 8 ½ x 14 inch paper, with all grid lines showing and column headings appearing on each printed sheet, and a printed copy of the challenge codes key.

- b. In addition, Objector shall file two separate digital media devices (CD or USB flash drive), each containing an electronic version of the spreadsheet and the challenge codes key. The electronic version of the spreadsheets on the each digital media devices must be enabled for editing by the Court, and may **not** be read-only or password protected.

6. If filing the objection petition electronically:

- a. Along with the electronically filed objection petition, Objector shall file as an exhibit an electronic (PDF) version of the spreadsheet with all grid lines showing and column headings appearing on each sheet, and an electronic (PDF) version of the challenge codes key.
- b. **Within two days** of submission of filing the objection petition and spreadsheet, Objector shall submit to the Court two paper copies of the electronically filed objection petition and spreadsheet **and** two separate digital media devices (CD or USB flash drive), each containing an electronic version of the spreadsheet and the challenge codes key. The electronic version of the spreadsheet on the each digital media device must be enabled for editing by the Court, and may **not** be read-only or password protected. **No changes may be made to the original spreadsheet filed electronically with the Court.**
