RE: Limiting New Inmates in Cumberland County Prison

On April 3, 2020, the Pa. Supreme Court directed President Judges "to undertake efforts to limit the introduction of new inmates into the county prison system." In light of that directive I am asking each of you that feels a sentence of incarceration in the county prison is necessary, to delay the reporting date to at least, July 1, 2020, if you feel that can be done safely. I am also asking you to avoid setting secured bail where practical.

Thank you for your efforts. We are all in this together. Stay strong and be safe.
