Petitioner, [REDACTED], (“Petitioner”) through the undersigned counsel, writes separately and in addition to his joinder in the brief of the Saul Ewing firm on behalf of numerous petitioners in these Grand Jury matters,¹ to address an issue of substance and procedural posture unique to his particular matter.

In addition to the objections and relief common to other clergy named (but not indicted) in the subject Grand Jury Report (“the Report,”), Petitioner here also filed objections on June 8, 2018, before the Supervising Judge to The Report in its current form on the grounds that it compelled the disclosure of [REDACTED]

Petitioner will be seeking review of these issues before this Court, **as well as a stay of the release of the Report and the record of these Court proceedings in the interim**, in order to settle important legal questions in an orderly and methodical fashion on the basis of full briefing by all interested parties, and perhaps *amici* parties as well. The Media Intervenors have shown absolutely no reason why any Report should be released before any of these issues may be fully adjudicated by this Court, as they should be.

There is simply no reason why speed in this entire proceeding will lead to anything other than injustice and confusion. [REDACTED]

[REDACTED]ding truth and doing justice in these matters for all parties is worth the necessary additional time to get it right.

WHEREFORE, the Petitioner, Reverend [REDACTED] respectfully requests that the motion of the Media Intervenors be denied in all respects.
