ORDER

PER CURIAM

AND NOW, this 12th day of September 2014, the Petition for Allowance of Appeal is **GRANTED**. The issue, as stated by petitioner, is:

Whether the suppression court erred in concluding Respondent was subject to an unlawful search and seizure, thus granting her suppression motion and dismissing all charges based on the erroneous conclusion that the interaction between Trooper Rogowski and Respondent was an investigative detention, requiring reasonable suspicion, as opposed to a mere encounter, requiring no suspicion?
