ORDER

PER CURIAM

AND NOW, this 17th day of February, 2021, the Petition for Allowance of Appeal is **GRANTED**. The issue, as stated by Petitioner, is:

Whether the Superior Court erred in affirming the [t]rial [c]ourt's [o]rder denying [Petitioner's] Motion for Attorney[s'] Fees and Costs Incurred in Appeal and Collection of Judgment on the basis that such [m]otion was untimely and/or that the [t]rial [c]ourt lacked jurisdiction to consider same?
