<u>ORDER</u>

PER CURIAM

AND NOW, this 2nd day of May, 2017, the Petition for Allowance of Appeal is **GRANTED**. The issue, rephrased for clarity, is:

Whether the Superior Court erred when it determined that a waiver of liability form, executed solely by the decedent, and stating the signer assumes all risks of participation in a triathlon, also binds his heirs, thereby precluding them from bringing a wrongful death action?

Justice Wecht did not participate in the consideration or decision of this matter.
