ORDER

PER CURIAM

AND NOW, this 28th day of July, 2015, the Petition for Allowance of Appeal is **GRANTED, LIMITED** to the following issues, as stated by Petitioner:

- a. Whether the Commonwealth Court committed reversible error by holding that a common pleas court's standard of review of a civil service commission adjudication is *de novo*, where a common pleas court takes no additional evidence on appeal and limits itself to the record before the commission?

- b. Whether the Commonwealth Court committed reversible error by holding that a common pleas court may modify a penalty imposed by a municipality, where there is no evidence whatsoever that the penalty was arbitrary, capricious, or discriminatory?

In all other respects, the Petition for Allowance of Appeal is **DENIED**.
