PER CURIAM

AND NOW, this 29th day of November, 2017, the Petition for Allowance of Appeal is **GRANTED**. The issues, as stated by Petitioner, are:

1. Is a Pennsylvania college required to have qualified medical personnel present at intercollegiate athletic events to satisfy a duty of care to the college's student-athletes?
2. Is an exculpatory clause releasing "any and all liability" signed in connection with participation in intercollegiate football enforceable as to negligence?
