DISSENTING OPINION

MR. CHIEF JUSTICE SAYLOR

DECIDED: March 25, 2015

Although I agree with the majority's determinations regarding the two remand issues, I am unable to join in the affirmance of the order concluding the post-conviction proceedings, for the reasons set forth in my previous dissent. *See Commonwealth v. Simpson*, 620 Pa. 60, 112-15, 66 A.3d 253, 284-85 (2013) (Saylor, J., dissenting) (explaining that Appellant did not receive the process he was due under the governing scheme for post-conviction review).
