---------------------------------	----------	--	----------	--	----------	------------	----------	------------	----------	------------	----------	------------	----------

**computed by dividing the state total by 1.5, the number of years covered by the survey. Includes rounding adjustment.

Note: verdict amounts are compensatory damages, but in a few instances may include punitive and delay damages as well as judicial offsets and adjustments. They do not reflect post-trial settlements or actions of an appellate court. They are not a report of actual payouts.
