## PACSES NOTE

Support data for each judicial district are supplied to the Administrative Office from the Department of Public Welfare’s automated system “Pennsylvania Child Support Enforcement System” (PACSES). The Non-Judicial Officer disposition category is divided into two subcategories—Conference/Intake Officer and Hearing Officer--to better reflect the different procedures by which support cases may be disposed.

Pa.R.C.P.1910.10 requires counties to choose one of two procedures for hearing support matters. The president judge or the administrative judge of the family division of each county must certify to the Domestic Relations Procedural Rules Committee that support proceedings are conducted in accordance with Rule 1910.11 or Rule 1910.12.

In counties operating under Pa.R.C.P.1910.11, a conference is held before a conference/intake officer, an interim order is then entered, and if one or both of the parties are dissatisfied, a hearing *de novo* is held before a judge. Counties operating under Pa.R.C.P.1910.11 do not utilize hearing officers; hearing officers are attorneys appointed by the court.

The procedures set forth in Pa.R.C.P.1910.12 provide for a conference before a conference/intake officer and an interim order. If one or both parties are not satisfied with the interim order, a *de novo* hearing on the record is held before a hearing officer. The hearing officer then issues a report with recommendations, to which the parties may file exceptions with a judge.

\* Montgomery County uses hearings conducted by a conference officer, which is followed by an off-the-record *de novo* hearing before an attorney master/conciliator, followed by a *de novo* hearing before a judge.

Please note that in support cases, the “Other” category is only used to report cases that are transferred to another county or state. Dismissals, withdrawals, stipulations and agreements between the parties are included in the Conference/Intake Officer, Hearing Officer, or Judge categories, as appropriate.
