

## Rogelio Camacho Seminars

### Translating Court Terms into Spanish I-V

#### For Spanish interpreters ONLY

#### **Class Description**

The goal of this class is to expand Pennsylvania court interpreters' prior knowledge of terms commonly used in Pennsylvania courts and their Spanish equivalent. The skill learned will enhance their ability to provide accurate Spanish renditions. Past class feedback shows that this material is quite useful and pertinent, and the vocabulary acquired from the class is immediately applicable to day-to-day work. Providing tools to translate the precise meaning and intent of this formal vocabulary will enhance interpretation professionals' ability to better serve the Spanish-speaking community and the courts of Pennsylvania.

**On line Dates:** Every Tuesday evening and selected weekdays and weekends
