OFFICE OF THE PROTHONOTARY

PILOT REMOTE ARGUMENT PANEL FOR 2022 MOTION FOR LEAVE TO APPEAR REMOTELY

Case Number: _____

Case Caption: _____

Filing Party: _____

Pursuant to the Court's Protocols for In-Person Arguments, the undersigned moves for leave to appear remotely at the all-remote argument session **scheduled for December 6-8, 2022.**

I declare the following:

- 1.** I am arguing counsel or the self-represented litigant(s) in this case and am scheduled to appear in person for argument before the Superior Court of Pennsylvania.
- 2.** I have discussed with opposing counsel and/or the self-represented litigant(s) this Motion for Leave to Appear Remotely at Argument. All counsel and/or self-represented litigant(s) are aware that the Superior Court does not permit one side to appear remotely and the other side in person. Counsel and/or the self-represented litigant(s) have consented to appear remotely.
- 3.** I have discussed with counsel and/or the self-represented litigant(s) that if the motion is granted, it is understood that counsel and/or the self-represented litigant(s) will be required to attend an orientation and equipment test on the morning of argument. We also understand that if we do not attend this orientation or Court staff cannot adequately test my equipment then: (1) we, counsel and/or the self-represented litigant(s) will not be allowed to participate in argument by videoconference, (b) we, counsel and/or the self-represented litigant(s) may only be able to participate in argument by telephone, or (c) we, counsel and/or the self-

represented litigant(s) may otherwise relinquish the ability to appear at argument and the case will be submitted on briefs.

4. If the motion is granted, counsel and/or self-represented litigant(s) agree and understand that they are relinquishing the ability to appear in person at the argument session to which this case was originally assigned.

5. If the motion is granted, counsel and/or self-represented litigant(s) agree and understand that we must comply with the instructions and directives for arguing counsel participating in remote arguments as well as any additional instructions provided by Court staff.

6. If the motion is granted, counsel and/or the self-represented litigant(s) agree that the session will not be recorded, photographed, broadcast, nor otherwise captured by any audio, video, or image from any aspect of my remote appearance. It is further agreed that the session be neither transmitted nor permit the transmittal of any audio, video, or image from any aspect of the remote appearance to a third-party, including co-counsel, support staff, or any client. Counsel and/or self-represented litigant(s) understand that this prohibition includes any action or inaction on either part that would allow someone else to record, photograph, broadcast, or otherwise capture any audio, video, or image from any aspect of the remote appearance.

7. If the motion is granted, counsel and/or the self-represented litigant(s) agree not to share or otherwise disclose connection information for my remote appearance to anyone else, except as necessary for staff under my supervision to help facilitate my connection to the conference.

Pursuant to 18 Pa.C.S.A. § 4902, I declare under penalty of perjury that the foregoing is true and correct.
