

**Witnesses**

- *Senator Sharif Street* – Senator Street will offer testimony about his role and duties on the Senate State Government Committee, his legislative interest in developing and drawing the congressional map, minority voter dilution issues in his district, and the reasons no other party can adequately protect the Proposed Democratic Senator Intervenors’ interests in this case.
- *Senator Anthony Williams* – Senator Williams will offer testimony about his role and duties on the Senate State Government Committee, his legislative interest in developing and drawing the congressional map, minority voter dilution issues in his district, and the reasons no other party can adequately protect the Proposed Democratic Senator Intervenors’ interests in this case.

Dated: January 5, 2022

Respectfully submitted,

**GREENBERG TRAURIG, LLP**
