Common Traffic Violations in Pennsylvania

HARRISBURG — In recognition of Pennsylvania’s Highway Safety Law Awareness Week (Feb. 20-26), the Pennsylvania Courts today released an infographic highlighting court data that reflects some of the most common traffic violations statewide. **In 2020, alleged traffic offenses decreased by 36 percent** from the previous year.

The infographic highlights key court data including the total number of alleged offenses for six common traffic violations over the last five years, defendant demographics and the **top 10 counties** with the highest number of citations. [Download a high-resolution version](#) of the graphic.

PA Courts InfoShare is a monthly product of the Administrative Office of Pennsylvania Courts (AOPC) that visually highlights the work of the courts with interesting data and statistics obtained through the judiciary's case management systems, interactive dashboards and other research.
