

MAGISTERIAL DISTRICT JUDGE COST TABLE EFFECTIVE JANUARY 1, 2025

Act 96 of 2010 renews and extends the requirement for annual court cost increases which was first provided for by Act 167 of 1992, and more recently by Act 113 of 2001. The annual increases in court costs are based upon the increases in the Consumer Price Index. The applicable increase for this period is 3.4%. The regulation amounts have been rounded to the next fifty cents for purposes of accounting and operational efficiency. Following this page is the new cost table that includes the cost code amounts for 2022 through 2025.

As a reminder, the following list shows the date rules for how the MDJS determines the amount of costs and fees.
