

IN THE COMMONWEALTH COURT

In re Nomination Petition of :
Robert Rudnitsky as a candidate for the : Election Matter
Democratic nomination for Representative : No. _____ MD 2026
for the 202nd Legislative District :

PETITION TO SET ASIDE NOMINATION PETITION

Patrick J. Kane, by and through undersigned counsel, respectfully aver:

I. Jurisdiction and Standing

1. This Court has jurisdiction in election petition challenges pertaining to candidates for State Representative. See 25 P.S. §§ 2913(a), 2937.
2. Patrick J. Kane is a duly qualified elector of the Democratic Party who resides at 6602 Large Street in Philadelphia, within the 202nd Legislative District.

II. Factual Background

3. On or about March 9, 2026, Robert Rudnitsky filed an affidavit, a copy of a statement of financial interest, and a petition seeking to become a candidate for the Democratic nomination for State Representative from the 202nd Legislative District in the 2026 primary election. The initial petition filing was 70 pages and contained 1019 putative lines.

4. The Statement of Financial Interests filed by Mr. Rudnitsky with both the State Ethics Commission and the Secretary is attached hereto as Exhibit A.
5. On March 10, 2026, Mr. Rudnitsky or someone on his behalf, filed a supplemental filing of petitions containing 11 additional pages which contained 147 additional putative lines.
6. A copy of Mr. Rudnitsky's nomination petition, including the supplemental pages, as submitted to the Secretary of the Commonwealth is attached hereto as Exhibit B.

III. Rudnitsky Filed a False and Incomplete SFI

7. In an effort to deceive the public, Mr. Rudnitsky did not include numerous illicit and/or illegal activities and leadership roles from his statement of financial interest.
8. Under the Public Official and Employee Ethics Act, 65 Pa. C.S. §§ 1101-1113 ("Ethics Act"), when a political candidate wishes to run for State Representative, the candidate must file a statement of financial interests ("SFI") with both the State Ethics Commission and file a copy of such SFI with the nomination petition. 65 Pa. C.S. § 1104(b)(1).

9. The Ethics Act requires the candidate to disclose certain information on the SFI, including (i) the candidate's occupation, (ii) sources of income over \$1300, and (iii) the ownership of any interest in a business and (iv) any officership or directors of any entity. *See id.* at § 1105(b)(2), (5), (8), (9).

A. Rudnitsky Hides Marijuana Leadership

10. Mr. Rudnitsky does not include anywhere on his Statement of Financial Interest his leadership of Philly NORML, a Pennsylvania corporation advocating for the legalization of marijuana that also promotes illegal marijuana consumption and distribution events in Philadelphia.

11. Upon information and belief, Mr. Rudnitsky is now and was at all times in 2025 both an officer (President) and a board member of the organization. He also serves or served as Executive Director of Philly NORML.

12. In fact, the Philly NORML Facebook page, which serves as a primary communication vehicle, still lists the contact as bobrudy3333@gmail.com. *See* facebook.com/phillynorml (visited March 13, 2026). Bob Rudy is a moniker that Mr. Rudnitsky has used throughout his life.

13. Mr. Rudnitsky did not disclose Philly NORML at all on his disclosure, including in boxes 10, 13, or 14.
14. Nor does he disclose his leadership in the Pennsylvania Cannabis Coalition, a trade group lobbying on marijuana issues.
15. Upon information and belief, in 2025, Mr. Rudnitsky served as an officer and director of the Pennsylvania Cannabis Coalition, another fact not disclosed at all on his SFI in boxes 10, 13, or 14.
16. Nor does he disclose his leadership from the Cannabis Career Institute. Upon information and belief, he also served as an officer and director of the Cannabis Career Institute throughout 2025, another fact not disclosed at all on his SFI in boxes 10, 13, or 14.
17. Mr. Rudnitsky did not include any of his marijuana roles in his occupation, instead listing recycling/real estate in box 6. Nothing about marijuana advocacy, marijuana education, or marijuana career placement is within that occupation.
18. Under the Ethics Act, Mr. Rudnitsky was required to disclose those roles. However, they do not appear on his SFI nor on his campaign materials distributed online.

B. Rudnitsky Hides Pornography Income and Assets

19. Mr. Rudnitsky has had a successful career in the pornography industry, particularly as a producer of a series of films beginning with “Screw My Wife, Please” series.
20. Upon information and belief, Mr. Rudnitsky produced and distributed much of his pornography under the moniker “Bob Rudy” through a company known as Wildlife Productions.
21. Mr. Rudnitsky then expanded his empire into 3D pornography, including re-releases of certain Screw My Wife Please titles, and launching the the website WildlifeXXX.com.
22. While Objector has no knowledge of any new, current involvement in the pornography industry, upon information and belief, Mr. Rudnitsky still owns and is an officer of Wildlife Productions and numerous other entities involved in pornography, still receives royalties and proceeds from these films, and has not disclosed the ownership of these entities, his officer status, or his income in any of the relevant boxes of his Statement of Financial Interests.

C. Rudnitsky Fails to Disclose Civic Group Take Back Your Neighborhood

23. For several years, Mr. Rudnitsky has led a civic organization called Take Back Your Neighborhood Association (“TBYN”). He had that position throughout 2025.

24. In fact, in 2025, Mr. Rudnitsky even filed a lawsuit in May in this court, on behalf of TBYN “by and through its president, Robert Rudnitsky.” That case is docketed at 177 MD 2025.

25. Despite this long history, Mr. Rudnitsky disclosed neither his official role nor any other connection to TBYN on his Statement of Financial Interests.

26. While a failure to list a civic organization would normally not be evidence of intent to deceive, such intent is present here because, as detailed further below, Mr. Rudnitsky and his campaign circulated his nomination petition under a false flag by asserting that the individuals circulating were circulating the petition on behalf of TBYN about a proposed safety and beautification project, and not on Mr. Rudnitsky’s behalf.

D. Application of Law to SFI-Related Facts

27. The purpose of the candidate disclosure requirement under the Ethics Act “is to inform the voters where a candidate's financial interests lie prior to election.” *In re Nom. Pet. of Littlepage*, 935 A.2d 1235, 1240 (Pa. 2006).
28. Lying or material omission on the SFI, unless it is excused due to an innocent mistake not intended to deceive where a material disclosure is made, is cause for removal under the Ethics Act’s fatal defect rule. *See* 65 Pa. C.S. § 1104(b)(3) (“Failure to file the statement in accordance with the provisions of this chapter shall, in addition to any other penalties provided, be a fatal defect to a petition to appear on the ballot.”); *see also Beyer*, 115 A.3d at 843.
29. Mr. Rudnitsky’s inclusion of a deceptively incomplete occupation, and omission of numerous business interests and entity interests are material. And it is obvious why a political candidate in a relatively moderate district wants to hide his ties to both pornography and marijuana.
30. Mr. Rudnitsky also concealed his control of TBYN as a function of his effort to conceal the improper use of the organization, both as pertains to a not-for-profit association and in terms of Election Code compliance.

31. For filing a SFI with meaningful material and intentional omissions designed to deceive the electorate, the Court should strike Mr. Rudnitsky from the ballot.

IV. Robert Rudnitsky Did Not File 300 Valid Signatures

32. Candidates for State Representative must file a nomination petition with

300 valid lines to be on the ballot. *See* 25 P.S. § 2872.1(14).

33. The nomination petition submitted by Mr. Rudnitsky contains 81 pages,

containing 1166 putatively completed lines, or parts thereof, as follows:

34. Within those 1166 lines are numerous lines omitted in whole or part, where lines appear later on the page. For example, on page 42, the entire first side is not completed, but the back side is completed from lines 15 to 24. Although, at most there would be ten valid lines, for the purpose of the count of 1166 lines, it is counted as 24 lines (and lines 1-14 are challenged as LIO on Exhibit C).

A. Defective Circulator Statements

35. Each page of the petition must be accompanied by a statement of the circulator signed under penalty of law, replacing the prior requirement that a notarized affidavit was required. *See* 25 P.S. § 2869. While notarization is no longer required, a materially same statement is required subject to legal penalty for false statements. The relevant part of the statute reads:

Each sheet shall have appended thereto the statement **of the circulator of each sheet**, setting forth, **subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities)** -- (a) that he or she is a qualified elector of the Commonwealth, **who is duly registered and enrolled as a member of the party designated in said petition...**; (b) his residence, giving city, borough or township, with street and number, if any; (c) **that the signers thereto signed with full knowledge of the contents of the petition**; (d) that their respective residences are correctly stated therein; (e) that they all reside in the county named in the statement; (f) that each signed on the date set opposite his name; and (g) that, to the

best of the circulator's knowledge and belief, the signers are qualified electors and duly registered and enrolled members of the designated party of the State, or of the political district, as the case may be.

Id. (emphasis added).

i. David Leigh is not a Democrat

36. One circulator, of 19 pages, is not a registered Democrat, ignoring that requirement from subsection (a). Because David Leigh is not a Democrat, he was ineligible to circulate the petition and unable to execute a truthful circulator statement compliant with Section 2869. Either reason is sufficient cause to invalidate, in full, pages 1, 6, 14, 18, 21, 27, 28, 30, 34, 35, 36, 38, 48, 50, 54, 55, 64, 66, and 68 (collectively, 303 lines), which are all so challenged.

ii. Wilhelmina Signed as Circulator for Pages She Did Not Circulate

37. Upon information and belief, Wilhelmina Jackson signed as circulator for numerous pages where she was not, in fact, the circulator.

38. For that reason, every page with a circulator statement signed by Ms. Jackson is challenged in full as her circulator statement is false. Those pages are pages 2, 8, 12, 13, 17, 23, 31, 33, 37, 42, 44, 65, and 79.

iii. Sam Phoenix Requested that Signers Forge the Signatures of Others

39. Upon information and belief, after a voter signed a petition, Sam Phoenix would ask voters to sign the petition for their relatives when those relatives were not home, apparently checking a list of registered voters and even returning to houses he had already left to seek fraudulent signatures from residents.

40. Because the statements Mr. Phoenix signed were untrue, every page circulated by Mr. Phoenix is challenged in full as are each line thereon. Those pages are pages 5, 10, 11, 20, 22, 25, 26, 29, 45, 46, 47, 49, 52, 56, 59, 62, 69, and 81.

Signers Were Lied to About the Petition They Were Asked to Sign

41. Upon information and belief, it appears that the standard script on which the circulators were trained and followed focused solely on the traffic issues and in many instances never even included a statement that the signature was on a nomination petition for office. Apparently, the circulators approached potential signers and identified themselves as representatives of TBYN, not of any candidate or campaign.

42. A significant number of individuals who signed the petition did so under false pretenses, as circulators told many of the individuals that the petitions

were to challenge a forthcoming public roadway project on Castor Avenue. These individuals did not have the requisite knowledge of the details of the petition and their signatures are ineffective. And, because they did not have the requisite knowledge, every circulator signed by these circulators, including Sam Phoenix, Wilhelmina Jackson, and David Leigh on every page they circulated (listed in paragraphs 36, 8, and 40) are false and are also challenged for this reason.

43. For the same objection, Objector also challenges all of the lines on pages 11, 40 and 41 which were allegedly circulated by Mr. Rudnitsky and from which Objector is already aware (and investigation is continuing) of seven specific individuals who signed on such page who were told that they were signing a petition about Castor Avenue and not for Robert Rudnitsky even though the candidate himself purportedly was circulating those pages.

iv. Incomplete Statements

44. On two pages (pages 59 and 63), the circulator's statement was not completed in full with the information required by the Election Code. As such those pages and each line thereon are also challenged.

45. Recognizing that this may be an amendable defect (unlike the other errors complained of above), Objectors note that only six lines across these pages are not challenged for other reasons.

v. False Circulator Fraud

46. Upon information and belief, Page 40 was not circulated by Mr. Rudnitsky, who signed the circulator statement, but instead by two African-American women. Upon information and belief, those women also signed the name and address of certain registered voters who refused to sign their petition.

47. Upon information and belief, Page 48 was circulated by someone other than David Leigh, and that unknown person signed the name of at least one bona fide registered voter who expressly refused to sign the petition. That registered voter (whose name appears on line 3) is an experienced petition circulator and expressly refused to sign the petition, and thus was surprised to see his name ascribed thereon. Further, that voter, when shown an image of David Leigh has attested that a different person attempted to legitimately get his signature and was refused.

48. It is unclear which and how Mr. Rudnitsky and his campaign caused these numerous circulator fraud issues to occur, but the petition is challenged in full, as are every page and line therein, for circulator fraud. This challenge

is maintained against the entire petition, even though the attached spreadsheet only expressly identifies as challenged the specific pages identified as being circulated by others.

B. Line-by-Line Challenges

49. Of the 1166 lines, 1110 are challenged for the reasons set forth on the spreadsheet attached hereto as Exhibit C and are objected to for those reasons.

50. All other challenges as to each line objected to are reserved, to the greatest extent permitted by applicable law.

C. Summary of Petition Challenge

51. Mr. Rudnitsky, in fact, submitted only 56 valid lines, well short of the 300 required for a state representative candidate to appear on the primary ballot.

V. Prayer for Relief

WHEREFORE, Petitioners pray this Honorable Court remove Mr. Rudnitsky as a candidate for the Democratic nomination for State Representative for the 202nd Legislative District and charge all costs of this proceeding, including that of any court reporter, to Mr. Rudnitsky.
