**PETITION TO SET ASIDE THE NOMINATION PETITIONS OF JACOB
CECIL AS CANDIDATE OF THE DEMOCRATIC PARTY FOR
SENATOR IN THE GENERAL ASSEMBLY IN THE MAY 19TH, 2026
PRIMARY ELECTION**

**TO: THE HONORABLE JUDGES OF THE COMMONWEALTH COURT
OF PENNSYLVANIA**

Objector, Edward T. Franks, (“Objector”) by and through his attorneys Goldstein Law Partners, LLC, file this Petition to Set Aside the Nomination Petitions of Jacob Cecil as a candidate for the Democratic Nomination for Senator in the General Assembly from the 32nd Senatorial District in the Primary Election of May 19, 2026, and in support thereof, respectively represent as follows:

PARTIES, JURISDICTION AND VENUE

1. Objector, Edward T. Franks, has a primary address at 1030 Greenlick Rd., Mount Pleasant, PA 15666, is an adult individual, citizen, qualified elector and registered Democratic voter in the 32nd Senatorial District of the Commonwealth of Pennsylvania who has a direct and substantial interest in the 2026 Primary Election

and, therefore, in the success of this Petition. In re Duncan, 516 A.2d 776, 778 (Pa. Cmmw. 1982).

2. Respondent, Jacob Cecil (“Respondent”), has filed nomination petitions seeking a ballot position for himself in the Democratic primary to vie for election as a Democrat candidate for Senator in the General Assembly from the 32nd Senatorial District.

3. Challenges to such nomination petitions may be filed by any qualified elector under 25 P.S. § 2937, which governs the procedures for such challenges.

4. Pursuant to 42 P.S. § 764, the Commonwealth Court of Pennsylvania is the proper venue for a challenge to the nomination petitions of a candidate for statewide office.

FACTUAL BACKGROUND

5. Respondent filed nomination petitions on or about March 10, 2026, seeking the nomination of the Democratic Party to the office of Senator in the General Assembly from the 32nd Senatorial District.

6. To appear as a candidate on the 2026 primary election ballot, Respondent must present at least 500 valid signatures from registered democratic voters of the 32nd Senatorial District voters by the filing deadline of March 10, 2026. See 25 P.S. § 2872.1(2)

7. Respondent's nomination petitions contain 508 signatures on 32 pages. Respondent's Nomination Petitions are attached hereto as Exhibit "A", the original of which remain in the custody of the Secretary of the Commonwealth.

RESPONDENT DID NOT SUBMIT 500 VALID SIGNATURES ON HIS NOMINATING PETITIONS, AND MUST BE REMOVED FROM THE BALLOT

8. Section 908 of the Election Code, 25 P.S. §2868, lists the requirements for each signer of a Nomination Petition. Each signer must:

- a) sign but one such petition for each office to be filled;
- b) declare therein that he is a registered and enrolled member of the party designated in such petition;
- c) declare therein that he is a qualified elector of the county therein named, and in case the nomination is not to be made or candidates are not to be elected by the electors of the State at large, of the political district therein named, in which the nomination is to be made or the election is to be held; and
- d) add his residence where he is duly registered and enrolled, giving city, borough or township, with street and number, if any, and shall legibly print his name and add the date of signing, expressed in words or numbers. Provided, however, that if the said political district named in the petition lies wholly within any city, borough or township, or is coextensive with same, it shall not be necessary for any signer of a nomination petition to state therein the city, borough or township of his residence.

9. Having thoroughly reviewed the Petitions attached as Exhibit A, Objectors assert that Respondent has failed to meet the requirement of presenting

500 valid signatures of qualified Pennsylvania Democratic electors of the district, collected by circulators who themselves are legally qualified to do so.

10. While Respondent submitted 508 signatures, only 444 of those 508 signatures meet the legal requirements to be counted towards the 500 signatures required by statute for Respondent to have his name placed on the ballot.

11. 64 of the signatures Respondent collected are defective in at least one way, and often in multiple ways.

12. Exhibit B to this Petition is a spreadsheet prepared pursuant to this Court's January 22, 2026 Order, listing by line and number the specific signatures being objected to, applying the following codes:

NR = Not Registered
NRA = Not Registered at Address
NRD = Not Registered in District
NRDS = Not Registered on Date Signed
OC = Out of County
Ill = Illegible
LIO = Line Information Omitted
DUP = Duplicate
IHA = Line Information in Hand of Another
N/I = Nickname/Initial
PRI = Printed Signature
Other = Any ground for objection not listed above

Indisputably Defective Signatures

13. Many of the signatures gathered are defective on grounds that are easily assessed by the Court, being either facially defective or which can be confirmed

through verification with the Commonwealth's SURE system. These signatures fall into one or more of the following categories:

14. **Signer Not Registered.** Upon information and belief, the 2 signatures in Exhibit B with code NR represent signers who are not registered to vote and who thus are not qualified to sign nomination petitions pursuant to 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

15. **Signer Not Registered at Address.** Upon information and belief, the 3 signatures in Exhibit B with code NRA represent signers who are not registered to vote at the address provided in the petition as required by 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

16. **Signer Not Registered in Candidate's Party.** Upon information and belief, the 5 signatures in Exhibit B with code NRCP represent signers who are not registered to vote as Democrats and who thus are not qualified to sign nomination petitions pursuant to 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

17. **Signer Not Registered on Date Signed.** Upon information and belief, the 1 signature in Exhibit B with code NRDS represent signers who were not registered to vote or registered as Democrats on the date signed as required by 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

18. **Signature Line Is Missing Data.** Upon information and belief, the 15 signatures in Exhibit B with code LIO represent signers whose signature line is missing some data required by 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

19. **Out of County.** Upon information and belief, the 20 signatures in Exhibit B with code OC represent signers who do not reside in county therein named in the petition as required by 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

20. **Duplicate.** Upon information and belief, the 10 signatures in Exhibit B with code DUP represent signers who signed the petition twice and whose signatures must therefore be stricken as invalid.

Additionally Defective Signatures

21. A further number of signatures gathered by Respondent reflect additional errors based on Objectors' review but which will require further testimony or the judgment of the Court in order to confirm the invalidity of these lines.

22. **Information in the Hand of Another.** Upon information and belief, the 13 signatures in Exhibit B with code IHA represent purported signers whose signature lines contain at least some information which appears to have been provided by someone other than the signer, contrary to the dictates of 25 P.S. § 2868, and which signatures must therefore be stricken as invalid.

23. **Illegible Information.** Upon information and belief, the 6 signatures in Exhibit B with code ILL represent signers whose information was not written in a way such that it could not be verified, including illegible signatures, as required by 25 P.S. § 2868, and whose signatures must therefore be stricken as invalid.

24. In all, 64 signatures must be stricken as invalid on all the aforementioned bases.

25. Having presented 444 valid signatures, and needing 500 valid signatures, Respondent has not qualified under the terms of the Election Code to appear as a candidate for the Democratic Nomination for Senator in the General Assembly from the 32nd Senatorial District in the Primary Election of May 19, 2026

WHEREFORE, the Objector prays this Honorable Court,

- a) to issue a Rule upon Respondent to show cause why his nomination petition should not be set aside and name removed from the ballot;
- b) to set aside the Respondent's nomination petitions and remove Respondent from the May 19th, 2026 ballot as a candidate for the Senator in the General Assembly from the 32nd Senatorial District, in accordance with the applicable laws;
- c) to order the costs against Respondent, including witness fees as directed in 25 Pa.C.S. 2937; and
- d) to order payment of Objector's attorney's fees as appropriate.

Respectfully submitted,
