IN THE COMMONWEALTH COURT OF PENNSYLVANIA

IN RE: NOMINATION PAPERS OF ANDREW TUPONE AS THE GREEN PARTY CANDIDATE FOR REPRESENTATIVE IN CONGRESS FROM THE SEVENTH CONGRESSIONAL DISTRICT IN THE NOVEMBER 3, 2026 GENERAL ELECTION PETITION OF: GREEN PARTY OF PENNSYLVANIA AND CHRISTINA OLSON	: : : : : : : : : : : :	NO. ELECTION LAW MATTER
---	---	---

PETITION TO SET ASIDE NOMINATION PAPERS

Petitioners Green Party of Pennsylvania and Christina Olson, by and through their undersigned counsel, file this Petition to Set Aside the Nomination Papers of Andrew Tupone as the Green Party candidate for Representative in Congress from the Seventh Congressional District in the November 3, 2026 General Election (the “Petition”).

1. Petitioners Green Party of Pennsylvania and Christina Olson object to a concerted effort across the Commonwealth to circulate Nomination Papers for candidates who are not endorsed or nominated by the Green Party to seek the Green Party’s line on the November 3, 2026 General Election ballot.

2. Among these candidates is Andrew Tupone, who is not supported by the Green Party, but will be listed on the ballot as the Green Party candidate for Representative in Congress from Pennsylvania’s Seventh Congressional District in the November 3, 2026 General Election.

3. Without the support or party structure of the Green Party, Candidate Tupone seeks to use the name of the Green Party to mislead supporters of the Green Party to vote for him in the November 3, 2026 General Election.

4. This Court should reject Candidate Tupone’s forced association with the Green

Party and set aside his Nomination Papers or, in the alternative, enjoin him from using the name of the Green Party on the ballot for the November 3, 2026 General Election.

PARTIES

5. Petitioner Green Party of Pennsylvania (“GPPA”) is an independent political organization affiliated with and recognized by the Green Party of the United States (“GPUS”) to represent and conduct the business of the GPUS in the Commonwealth of Pennsylvania.

6. As of December 2025, there were 13,887 registered voters in Pennsylvania registered with the Green Party, including 370 voters registered with the Green Party in Lehigh County, 318 voters registered with the Green Party in Northampton County, and 47 voters registered with the Green Party in Carbon County, all within Pennsylvania’s Seventh Congressional District. *See* Com. of Pa., Dep’t of State, *Administration cf Voter Registration in Pennsylvania* 37–39 (June 30, 2026), <https://www.pa.gov/content/dam/copapwp-pagov/en/dos/resources/voting-and-elections/reports/voter-registration/dos-voter-registration-report-2025-final-pdf.pdf>.

7. Petitioner Christina Olson is a qualified and validly registered and enrolled elector registered with the Green Party in Pennsylvania’s Seventh Congressional District. Petitioner Olson resides at 809 Main Street, Hellertown, Pennsylvania.

8. Petitioner Olson previously served as Co-Chair of the GPPA in 2021–2022.

9. Respondent Al Schmidt is the Secretary of the Commonwealth, whose office address is 302 North Office Building, 401 North Street, Harrisburg, Pennsylvania.

10. Respondent Andrew Tupone (“Candidate Tupone”), whose address is 1799 Riesling Drive, Easton, Pennsylvania, filed on July 29, 2026 Nomination Papers (the “Nomination Papers”) seeking to be listed on the ballot for the Green Party candidate for Representative in

Congress from the Seventh Congressional District in the November 3, 2026 General Election.

JURISDICTION

11. This Court has original jurisdiction over this matter pursuant to 42 Pa. C.S. § 764 and 25 P.S. § 2937.

12. The Pennsylvania Election Code governs the matters at issue in this Petition. *See generally* 25 P.S. §§ 2600 *et seq.*

FACTUAL BACKGROUND

13. The GPPA is the Pennsylvania state party affiliate of the GPUS. *See State Parties*, Green Party of the United States, https://www.gp.org/state_parties (last visited Aug. 8, 2026).

14. Headquartered in Philadelphia, the GPPA is operated at the state level by a state steering committee, and at the county level by numerous affiliated local chapters. *See GPPA Structure*, Green Party of Pennsylvania, https://www.gpofpa.org/gppa_structure (last visited Aug. 8, 2026).

15. Consistent with other state affiliates throughout the United States, the GPPA's platform focuses on four pillars—social justice, grassroots democracy, peace and nonviolence, and ecological wisdom—and urges universal healthcare, conservation of natural resources, and an end to domestic and international violence. *See Platform*, Green Party of Pennsylvania, <https://www.gpofpa.org/platform> (last visited Aug. 8, 2026).

16. The GPPA has run a candidate in every Presidential election since 2000, when Ralph Nader won over 2% of the statewide vote. *See Ballot Status History – Green Party of Pennsylvania*, Green Party of the United States, <https://gp.us.org/ballot-status/pennsylvania/> (last visited Aug. 8, 2026).

17. Until relatively recently, the Green Party, through the GPPA, was a recognized

minor political party under Pennsylvania state law due to its strong performances in the 2016 Presidential Election. *Green Party cf Pa. v. Dep't cf State, Bureau cf Comm'ns*, 168 A.3d 123, 125 (Pa. 2017).

18. Pennsylvania continues to administratively recognize the Green Party as a political entity in the state. For example, the voter registration form promulgated by the Secretary of the Commonwealth lists “Democratic,” “Republican,” “Green,” and “Libertarian” as political party affiliations. Voter Registration Application, Pennsylvania Department of State, <https://www.pavoterservices.pa.gov/Pages/VoterRegistrationApplication.aspx> (last visited Aug. 8, 2026).

19. Like any political party, the Green Party has an official process for determining whether to promote or endorse a candidate. *See Proposals and Endorsements*, Green Party of Pennsylvania, https://www.gpofpa.org/proposals_and_endorsements (last visited Aug. 8, 2026).

20. Specifically, Rule II, Section 7 of the Rules of the Green Party of Pennsylvania vests “the exclusive authority to nominate Green Party candidates for federal and state office within the Commonwealth of Pennsylvania” in its State Committee. A true and correct copy of the Rules of the Green Party of Pennsylvania are attached as **Exhibit A**.

21. In March 2026, the State Committee of the GPPA nominated Tony Dastra and Craig Bolton to represent the party for the offices of Governor and Lieutenant Governor. The GPPA filed Nomination Papers for Dastra and Bolton to appear on the November 3, 2026 General Election ballot correctly reflecting their affiliation with the Green Party.

22. Under the Pennsylvania Election, unlike major political parties, minor political parties and political bodies are not entitled to nominate candidates in primary elections. 25 P.S. § 2831(c).

23. Instead, minor political parties and political bodies nominate candidates “by nomination papers signed by qualified electors . . . of the electoral district for which the nomination is made.” 25 P.S. § 2911(a).

24. The Election Code allows political bodies to nominate “[m]ore than one candidate . . . by one nomination paper and candidates for more than one office may be nominated by one nomination paper.” 25 P.S. § 2911(c).

25. Accordingly, the GPPA circulated and filed Nomination Papers for its candidates for Governor and Lieutenant Governor, including sheets circulated in Lehigh County and Northampton County in the Seventh Congressional District. Representative examples of sheets circulated for each County are attached as **Exhibit B**.

26. The sheets did not include a candidate for Representative in Congress from Pennsylvania’s Seventh Congressional District.

27. The GPPA’s determination as to whether to field a candidate for a given race is based on numerous considerations, including whether it is worthwhile to focus the GPPA’s name, brand, and resources on that race, and whether a candidate who authentically represents the GPPA’s values and platform is interested in competing in that race. In the case of the race for Representative in Congress from Pennsylvania’s Seventh Congressional District, after evaluating these considerations, the GPPA declined to field a candidate.

28. Despite having no affiliation with the GPPA, in the summer of 2026, Candidate Tupone began preparing Nomination Papers by collecting signatures from voters in Pennsylvania’s Seventh Congressional District, representing to the voters that he was a “Green Party” candidate.

29. Notably, Candidate Tupone’s Nomination Papers did not include the GPPA’s nominees for Governor and Lieutenant Governor. A representative example of a sheet circulated

by Candidate Tupone is attached as **Exhibit C**.

30. None of Candidate Tupone's Nomination Papers contain sheets seeking to nominate any other Green Party candidate for any other office.

31. Before February 18, 2026, Candidate Tupone was a registered Republican.

32. On February 18, 2026, Candidate Tupone changed his political party registration from Republican to Democratic.

33. Only on April 20, 2026 did Candidate Tupone change his political party registration from Democratic to Green.

34. Candidate Tupone disaffiliated from a major political party on the very last day to remain eligible to run for office under a political body. *In re Lahr*, 842 A.2d 327, 333 (Pa. 2004) (citing 25 P.S. § 2911.1).

35. Candidate Tupone changed his political party registration from Democratic to Green less than thirty days before Pennsylvania's May 19, 2026 Primary Election.

36. Once the GPPA learned of Candidate Tupone's candidacy, the GPPA reacted swiftly to inform voters that he was not an authentic Green Party candidate.

37. On July 21, 2026, the GPPA issued a statement that "it has been learned that several candidates who have not been endorsed by the GPPA are petitioning to appear on the November General Election ballot using the Green Party affiliation." A true and correct copy of the statement is attached as **Exhibit D**.

38. The statement continued, "Circulators encountered in the field indicated that they were being paid to collect signatures for the Green Party but could not explain by whom. When the unendorsed candidates were contacted, none indicated that they had created a campaign committee needed to receive or expend funds. Candidates were solicited by unnamed individuals

who explained that they could assist with placing them on the ballot for free.” *Id.*

39. The statement went on to say, “Voter registration records indicate that some candidates only recently changed party affiliation to the Green Party, after lifelong affiliation as independents, Democrats, or Republicans.” *Id.*

40. Finally, the statement warned, “It is apparent that an effort to achieve ballot access in an un-transparent manner is underway and that some unendorsed candidates have chosen to appear as representing the Green Party. The GPPA is warning the electorate of the commonwealth and is disclosing this information it has discovered. We affirm our values including a people powered democracy which is free of dark money influence.” *Id.*

41. Even after Candidate Tupone filed his Nomination Papers, a spokesperson for the GPPA stated that the GPPA had never heard from Candidate Tupone. Tom Shortell, “Green Party candidate enters PA-7 race amid controversy,” *Lehigh Valley Public Media* (July 31, 2026), <https://www.lehighvalleypublicmedia.org/news/politics/green-party-candidate-enters-pa-7-race-amid-controversy/>.

42. Upon information and belief, Candidate Tupone and his agents or affiliates who circulated his Nomination Papers misled voters into signing the Nomination Papers on the mistaken belief that they were helping to place a candidate supported by the Green Party onto the ballot.

43. Upon information and belief, many voters who signed Candidate Tupone’s Nomination Papers did so under the false impression that, because the Papers indicated Candidate Tupone was a “Green Party” candidate, Candidate Tupone was affiliated with or endorsed by the GPPA.

44. Upon information and belief, many of the voters who signed Candidate Tupone’s

Nomination Papers would not have done so had they been aware that Candidate Tupone was not actually affiliated with or endorsed by the GPPA.

OBJECTIONS TO NOMINATION PAPERS

45. As a political organization, the GPPA has a constitutional right to freedom of association under the First Amendment of the United States Constitution and Article I, Section 7 of the Pennsylvania Constitution.

46. A “corollary of the right to associate is the right not to associate.” *California Democratic Party v. Jones*, 530 U.S. 567, 574 (2000).

47. As this Court has acknowledged, “the First Amendment affords political parties an autonomy that encompasses the right to exclude non-members from party functions, and in no area is the political association’s right to exclude more important than in the process of selecting its nominee.” *In re Smith*, 182 A.3d 12, 20 (Pa. Cmwlth. 2018) (quoting *Maslow v. Bd. of Elections in City of New York*, 658 F.3d 291, 296 (2d Cir. 2011)).

48. When Candidate Tupone completed his Nomination Papers, he was required to “specify . . . [t]he name or appellation of the political body which the candidates nominated thereby represent, expressed in not more than three words.” 25 P.S. § 2912.

49. Sections 952 and 976 of the Election Code recognize the potential of confusion from incorrect affiliation with a political party or body: “No words shall be used in any nomination paper to designate the name or appellation of the political body represented by the candidates named in such nomination paper which are identical with or deceptively similar to the words used for a like purpose by any existing political party as defined by section 801 of this act, or which contain part of the name or an abbreviation of the name or part of the name of any existing political party; nor shall any words be used in any nomination paper to designate the name or appellation

of the political body represented by the candidate's name in such nomination paper which are identical with or deceptively similar to the words used for a like purpose by any political body which has already filed nomination papers for the same office nor which contain part of the name or an abbreviation of the name or part of the name of a political body which has already filed nomination papers for the same office." 25 P.S. § 2912; *see also id.* § 2936.

50. The statute thus forbids candidates from utilizing a political body name in their nomination papers if the name is "deceptively similar to" either (1) "any existing political party" or (2) "any political body which has already filed nomination papers for the same office." *Id.* § 2912.

51. Candidate Tupone used the words "Green Party" in his Nomination Papers to describe the political body under whose auspices he was running for office.

52. Candidate Tupone was not compelled either by the GPPA or by law to choose the name or appellation "Green Party."

53. Candidate Tupone could have chosen any three words that were not deceptive and otherwise met the requirements of Sections 952 and 976 of the Election Code.

54. In those sections or otherwise, the Election Code does not define "already filed . . . for the same office."

55. The Green Party has previously fielded candidates for Representative in Congress covering the same geographical area as the Seventh Congressional District.

56. To the extent candidates endorsed by the GPPA have "already filed . . . for the same office," Candidate Tupone's political body name is "deceptively similar to" the name of the Green Party of Pennsylvania—including because it "contain[s] part of the name or an abbreviation of the name or part of the name" of the GPPA—and Candidate Tupone's Nomination Papers are invalid

for that reason. 25 P.S. § 2912; *see also id.* § 2936.

57. Regardless, the issue of Candidate Tupone’s deceptive affiliation with the Green Party arises only because the Sections 952 and 976 of the Election Code treat the Green Party differently from the major political parties, the Republican and Democratic Parties.

58. Sections 952 and 976 would not allow Candidate Tupone to use “Republican” or “Democratic” in his choice of name or appellation of the political body which he represented.

59. The Election Code therefore treats political bodies like the GPPA differently from major parties by forcing them to field a candidate for a particular office to avoid a candidate from using a name deceptively similar to that political body.

60. In the case of the GPPA, this differential treatment is especially stark because voters are able to register with the Green Party when they register to vote, just as they can register with the Republican or Democratic Parties, and almost 14,000 Pennsylvania voters are registered with the Green Party, including voters in Pennsylvania’s Seventh Congressional District.

61. Such differential treatment violates equal protection and the GPPA’s right to freedom of association under the United States and Pennsylvania Constitutions.

62. Additionally, qualified electors in Pennsylvania—including Petitioner Olson and the voters who, upon information and belief, were induced to sign Candidate Tupone’s Nomination Papers under false pretenses—have the right to an election free of fraud.

63. Specifically, the Free and Equal Elections Clause of the Pennsylvania Constitution provides that “[e]lections shall be free and equal; and no power, civil or military, shall at any time interfere to prevent the free exercise of the right of suffrage.” Pa. Const. art. I. § 5.

64. An “election is free and equal” if it is “unprejudiced by fraud.” *Patterson v. Barlow*, 60 Pa. 54, 75 (1869); *see also Ctr. for Coalfield Justice v. Washington Cty. Bd. of Elections*, 343

A.3d 1178, 1196–97 (Pa. 2025) (Article I, Section 5 created a liberty interest that was violated when voters were misled to believe they were “prohibited from voting provisionally”).

65. Upon information and belief, voters were misled in signing the Nomination Papers of Candidate Tupone and will be misled as to his support from the GPPA, or at least its structures and processes, by the use of the Green Party political body name or appellation on the November 3, 2026 General Election ballot for Representative in Congress from Pennsylvania’s Seventh Congressional District.

66. Because Candidate Tupone’s Nomination Papers cause voters to misunderstand Candidate Tupone’s relationship with the Green Party, the application of Sections 952 and 976 of the Election Code on these facts therefore causes confusion and violates the Free and Equal Elections Clause of the Pennsylvania Constitution.

WHEREFORE, the Petitioners pray this Honorable Court enter an Order as follows:

A. Sustaining the objections of the Petitioners to the Nomination Papers of Andrew Tupone;

B. Setting aside the Nomination Papers of Andrew Tupone;

C. Directing the Secretary of the Commonwealth to set aside the Nomination Papers of Andrew Tupone and further directing them not to place Andrew Tupone’s name as the Green Party candidate for Representative in Congress from the Seventh Congressional District;

D. Ordering Andrew Tupone to pay costs of the proceedings, including attorney fees, as the Court deems just, pursuant to 42 Pa. C.S. § 2503; and

E. Granting such further relief as the Court deems necessary and just.

a) The State Committee may nominate candidates for such offices as are to be voted for by the electors of the Commonwealth at-large. The calendar month during which a meeting of the State Committee shall be convened for the purpose of making such nomination shall be determined by the State Committee at least four (4) months in advance.

b) The State Committee may nominate candidates for the offices of Representative in Congress, Senator in the General Assembly, or Representative in the General Assembly as well as candidates for county and municipal offices in districts wholly within counties in which there is no authorized County Committee. The State Committee may also nominate candidates for the offices of Judge of a Court of Common Pleas or School Director if such districts include all or

part of multiple counties. If the district in which such candidate seeks nomination includes all or part of a county in which there exists an authorized County Committee of the Green Party, the State Committee shall not nominate any candidate who has not been endorsed by at least one County Committee that includes all or part of such district.

c) As soon as possible after the nomination of candidates for public office by the State Committee, the Co-Chair and Secretary shall deliver to the Secretary of the Commonwealth and any affected county Boards of Elections Authorizations of Candidacy listing the offices for which candidates have been nominated and the names and addresses of such candidates. The Secretary of the Commonwealth and the county Boards of Elections shall not certify the nomination of any Green Party candidate for whom such Authorization has not been received. Such Authorization may be supplemented at any time prior to the last date on which nomination papers may be filed.

Section 8. The State Committee may, if it deems proper, promulgate and adopt a platform or statement of principles and policies of the Green Party of Pennsylvania.

Section 9. The Co-Chair shall call special meetings of the State Committee upon the request of at least one-eighth of the members of such committee. Such a meeting shall be called within ten (10) days, and such meeting shall be held within thirty (30) days of the date of the meeting notice. If the Co-Chair shall fail to call such a properly requested meeting, the members making the request may themselves call the meeting.

Section 10. The presence of members of the State Committee that in total account for twenty percent (20%) of the State Committee seats, and representing a minimum of five (5) County Committees, or twenty percent (20%) of County Committees, whichever is greater, shall be required to constitute a quorum. (This Rule was adopted 3/13/2005, by consensus. This Rule was amended on 11/16/2013, by consensus)

RULE III: STEERING COMMITTEE

Section 1. The Co-Chairs, Secretary, Treasurer of the State Committee shall hold these same offices on the Steering Committee.

Section 2. The Steering Committee shall consist of the Co-Chairs, Secretary and Treasurer of the State Committee as well as three At-Large members, to be elected by the State Committee at the first meeting of each calendar year for a one-year term beginning on the date of their election and continuing until their successors have been duly elected. Steering Committee members are entitled to a vote at meetings of the State Committee and Steering Committee on all questions.

Section 3. The Steering Committee shall act in an advisory capacity to all committees and shall perform such other duties as may be conferred by these rules or otherwise delegated to it by the State Committee or the Co-Chair.

Section 4. Any vacancy in the membership of the Steering Committee shall be filled by a vote of the State Committee.

Section 5. A majority of the members of the Steering Committee shall be required to constitute a quorum.

Section 6. The Co-Chair may call a meeting of the Steering Committee at any time at her or his discretion with at least ten (10) days' notice. The Co-Chair may also conduct a poll of the Steering Committee by telephone or electronic communication; provided that each member of the Steering Committee shall have at least seven (7) days to respond to such poll.

RULE IV: COUNTY COMMITTEES

Section 1. The State Committee may recognize County Committees organized for the purpose of carrying out the business of the Green Party on the county and municipal levels.

a) No county rules of the Green Party may be accepted by any county Board of Elections except such rules filed by a County Committee that has been recognized by the State Committee on the basis of its viability and commitment to the values of the Green Party. Counties will submit their rules to the State Committee annually.

b) The State Committee may cancel its recognition of any County Committee if such Committee become unviable or engages in activities that are in blatant violation of Green values, including but not limited to failure to adopt democratic internal procedures.

c) A County Committee will be deemed unviable if they fail to file their rules annually, fail to send a delegate to a State Committee meeting for a full calendar year, or fail to send a delegate to an in-person State Committee meeting for two full calendar years.

Section 2. The County Committees hold the exclusive authority to nominate Green Party candidates for county and municipal offices in districts wholly within the counties of their jurisdiction. As soon as possible after the nomination of candidates for public office by a County Committee, the officers of the Committee shall deliver to the county Board of Elections an Authorization of Candidacy listing the offices for which candidates have been nominated and the names and addresses of such candidates. The county Board of Elections shall not certify the

nomination of any Green Party candidate for whom such Authorization has not been received. Such Authorization may be supplemented at any time prior to the last date on which nomination papers may be filed. County Committees will report all nominated candidates to the State Committee.

Section 3. Each County Committee shall elect its representatives to the State Committee pursuant to Rule II, Section 2 and in accordance with its own rules. County Committees may also elect observers, who may attend meetings of the State Committee, and reserve the right to mandate that their representatives confer with such observers before casting any vote. Upon the election of new State Committee members and/or observers, the officers of the County Committee shall deliver to the Secretary of the State Committee notification of such election. The County Committee will submit to the State Committee the names and contact information for all county officers, delegates, and observers within two weeks of election.

Section 4. A dispute as to who has been legally elected as an officer or member of any County Committee shall be determined by the County Committee in which it shall arise, or in such other manner or by such other body as the County Committee rules may provide. A participant in such dispute has the right to appeal the final decision of such Committee, or other body, to the State Committee. The appeal shall be taken within ten days after such decision is rendered.

RULE V: VACANCIES

Section 1. Any vacancy happening or existing in the Green nomination for any federal or state office by reason of the death or withdrawal of a candidate, the calling of a special election, or other cause shall be filled by the State Committee, which shall have the authority to make and certify a nomination, or by the Steering Committee, which shall have such authority if and only if the deadline for the certification of such nomination lies prior to the next scheduled meeting of the State Committee. Three members of the State Steering Committee not appearing on the ballot will form the Committee to Fill Vacancies on Nomination Papers.

Section 2. Any vacancy happening or existing in the Green nomination for any county or municipal office, by reason of the death or withdrawal of a candidate, the calling of a special election, or other cause shall be filled in accordance with the rules of the County Committee. If there is no authorized County Committee, the vacancy shall be filled by the State Committee, which shall have the authority to make and certify a nomination, or by the Steering Committee, which shall have such authority if and only if the deadline for the certification of such nomination lies prior to the next scheduled meeting of the State Committee.

RULE VI: RULES OF ORDER

Section 1. The State Committee and Steering Committee shall strive to obtain consensus on all decisions. If consensus fails, a decision on a substantive motion shall require a two-thirds majority of votes cast for or against the motion.

Section 2. With regard to the election of party officers, the nomination of candidates for public office or any other vote taken to designate a person or persons who will represent the party in any capacity, such election shall be by instant runoff voting when electing a single candidate, and by single transferable vote when electing multiple candidates (e.g., a council or committee). (This Rule was amended on 03/9/2025, by consensus).

Section 3. The State Committee and Steering Committee may adopt additional rules of order, temporarily or permanently, to govern their respective meetings. Any such rules adopted permanently must be filed with the state board of elections.

Section 4. Insofar as they are not inconsistent with these rules or any others adopted is provided in Section 2 of this rule, Robert's Rules of Order, as most recently revised, shall govern procedure at all meetings of the State Committee and Steering Committee.

RULE VII: PROCEDURES FOR AMENDING RULES

Section 1. Amendments to these rules may be made by the State Committee at any regularly scheduled meeting of such Committee, provided that the proposed amendment is submitted to the Co-Chair of the State Committee not less than thirty-five (35) days prior to the meeting at which the amendment is to be considered. The Co-Chair shall then send a copy of the proposed amendment to every member of the State Committee.

Statement of the Green Party of Pennsylvania Concerning its Nominated Candidates for the November General Election

Green Party of Pennsylvania

FOR IMMEDIATE RELEASE

Chris Robinson, Communication Team Co-Leader

Statement of the Green Party of Pennsylvania Concerning its Nominated Candidates for the November General Election.

The Green Party of Pennsylvania (GPPA) is an independent political organization affiliated with and recognized by the Green Party of the United States (GPUS) to represent and conduct the business of the GPUS in the Commonwealth of Pennsylvania. The Pennsylvania Department of State (PADOS) recognizes GPPA as either a political body or minor political party as determined by the results of past elections. Regardless of the PADOS classification, the GPPA is authorized to nominate candidates for state and federal offices as directed by the party bylaws.

During March 2026, the State Committee of the GPPA nominated Tony Dastra and Craig Bolton to represent the party for the offices of Governor and Lieutenant Governor. No other candidates were nominated to these or other offices to be decided during the November General Election. No other candidate has sought nomination for office by the GPPA State Committee.

Recently it has been learned that several candidates who have not been endorsed by the GPPA are petitioning to appear on the November General Election ballot using the Green Party affiliation. Upon further investigation several concerning issues have been learned as shared by those listed as the committee to fill vacancies or those circulating the petitions for these individuals.

Several of those listed as the committee to fill vacancies were unaware that their name was included on the candidate petitions. Some individuals explain they received a random phone call requesting to help but could not recall from whom or for what exact purpose.

Circulators encountered in the field indicated that they were being paid to collect signatures for the Green Party but could not explain by whom.

When the unendorsed candidates were contacted, none indicated that they had created a campaign committee needed to receive or expend funds. Candidates were solicited by unnamed individuals who explained that they could assist with placing them on the ballot for free.

Voter registration records indicate that some candidates only recently changed party affiliation to the Green Party, after lifelong affiliation as independents, Democrats, or Republicans. Some of them may have voted in the 2026 Primary Election.

It is apparent that an effort to achieve ballot access in an un-transparent manner is underway and that some unendorsed candidates have chosen to appear as representing the Green Party. The GPPA is warning the electorate of the Commonwealth and is disclosing this information it has discovered. We affirm our values including a people powered democracy which is free of dark money influence.

The GPPA anticipates completing the nomination process with the volunteer effort of the Dastra/Bolton Campaign and providing the electorate an option that is based on the Four Green Party Pillars of Social Justice, Grassroots Democracy, Peace and Nonviolence, and Ecological Wisdom.

Requests for further information or inquiry can be sent to contact@gpofpa.org.

The Green Party of Pennsylvania (GPPA), <https://www.gpofpa.org>, is an independent political party which stands in opposition to the two corporate parties. GPPA candidates promote public policy based on the Green Party's Four Pillars: grassroots democracy, nonviolence, ecological wisdom, and social justice/equal opportunity. For further information about GPPA, please email contact@gpofpa.org. Please follow GPPA on social media: [Facebook](#), <https://www.facebook.com/gpofpa/> and Instagram, <https://www.instagram.com/pagreenparty/>
