

**Supreme Court of Pennsylvania
Application for Committee / Board Membership**

In order to foster wider participation in the judicial system, the Supreme Court encourages applicants with appropriate training, experience, and interest to apply. For attorney positions, the Court ordinarily considers applicants with at least seven years of relevant experience.

All applications will be retained for two years. In the event that additional positions become open on the committee or board for which an application was submitted, those retained applications will be considered for those openings within the two-year period.

The application requires applicants to answer whether criminal charges or formal charges of professional misconduct have ever been filed against the applicant. Applicants must inform the Court if there are any changes to that answer during the two-year retention period. Applicants should submit that information through the same address used to file the application.
