RECEIVED
 COMMONWEALTH COURT
 OF PENNSYLVANIA
 2019 JUN -6 AM 8:07

MOTION TO EXPEDITE ADJUDICATION OF
APPLICATION FOR RELIEF BY EN-BANC REVIEW
OF ORDER DENYING APPLICATION FOR RECONSIDERATION
OF AN ORDER BY A SINGLE JUDGE
FOLLOWING DENIAL OF APPLICATION FOR LEAVE TO INTERVENE
[ADDENDUM]

The Commonwealth Court’s period of repose ended when the Supreme Court remanded the case, but ”Scheduling Order III” didn’t address this “Standing” issue, docketed almost two months ago [4/8/2019]; unlike part of the UPMC’s motion, it has not been stayed. Due to the accelerated review process, resolution of this concern is urgent; if an adverse ruling issues, time must be allotted for an appeal to the Supreme Court. It is impossible to convey “perspective” because the total Opinion (plus minority input) is unavailable; thus, it is desirable to rectify this pending motion expeditiously so that independent input (derivative of the Blues’ Social Mission) can be provided accordingly.

Respectfully submitted,

Robert B. Sklaroff, M.D.
