No. 21 EM 2019

Dear Mr. Person:

No formal response will be filed in the above-referenced matter to Individual Petitioners' Motion for Class Certification. Respondents take no position as to the request for certification of the class; however, Respondents disagree with the facts related to Respondents and their judicial actions as set forth in the Motion for Class Certification.

Attached is my proof of service. Thank you for your attention to this matter.

I certify that this filing complies with the provisions of the *Public Access Policy of the Unified Judicial System of Pennsylvania: Case Records of the Appellate and Trial Courts* that require filing confidential information and documents differently than non-confidential information and documents.

Respectfully yours,

s/A. Taylor Williams
