ORDER

PER CURIAM

AND NOW, this 6th day of October, 2026, the Petition for Allowance of Appeal is
GRANTED, LIMITED to the issue set forth below.

Whether the Superior Court erred in concluding that a petition for specialized review of a bail order under Pennsylvania Rule of Appellate Procedure 1610 – which authorizes review of orders “denying release” – does not permit consideration of constitutional challenges to a denial, thereby rendering such challenges unreviewable until after trial and conviction, when any relief as to pretrial liberty would be meaningless.

Allocatur is **DENIED** as to all other issues. The Petition Requesting Relief Through the Exercise of King's Bench Jurisdiction or Extraordinary Jurisdiction is **DENIED**. The Application to Expedite Petitioner James Young's Petition for Allowance of Appeal is **DISMISSED** as moot. The Application to Expedite Petitioner James Young's Petition Requesting Relief Through the Exercise of King's Bench Powers or Extraordinary Jurisdiction is **DISMISSED** as moot.
