

## ***INTRODUCTION***

The Juvenile Court Procedural Rules Committee is planning to recommend to the Supreme Court of Pennsylvania that the modifications of Rules 242, 512, 513, 515, 610, 1154, 1240, 1242, 1512, 1515, and 1609 and new Rules 147 and 1147 be adopted and prescribed. Most of the proposed amendments concern the educational, health, and disability needs of a juvenile or child. These issues are very important for the court to address. This proposal has not been submitted for review by the Supreme Court of Pennsylvania.

The following explanatory *Report* highlights the intent of the rules. Please note that the Committee's *Reports* should not be confused with the official Committee *Comments* to the Rules. Also note that the Supreme Court does not adopt the Committee's *Comments* or the contents of the explanatory *Reports*.

We request that interested persons submit suggestions, comments, or objections concerning this proposal to the Committee through counsel,

## ***EXPLANATORY REPORT***

### **Educational, Health Care, and Disability Amendments**

The majority of the proposed rule amendments address the educational, health, and disability needs of a juvenile or child. The Committee spent a considerable amount of time discussing what types of issues the court should be looking at during its hearings and in its order.

Pursuant to the Juvenile Act, the court shall provide for the welfare, health, and safety of children under its supervision. See 42 Pa.C.S. § 6301. To achieve this purpose, the court must address the basic needs of juveniles or children, which include: educational, health, and disability needs.

Educational, health care, and disability needs of juveniles or children in the system must be met in order to ensure their welfare. The court's role in addressing these needs are not merely a matter of best practice, but rather an essential component when addressing the fundamental needs of juveniles or children under its supervision.

With the proposed amendments relating to education, the rules effectively address the educational needs by focusing on three key issues at every stage of the court proceedings: 1) minimizing school changes; 2) ensuring that a juvenile or child is attending school, receiving educational services, and making progress toward graduation; and 3) ensuring that each juvenile or child has a legally authorized educational decision maker.

With the proposed amendments relating to health care and disability, the court must ensure that juveniles' or children's health care and disability needs are identified, monitored, and addressed, including children with disabilities are receiving necessary accommodations.

As set forth in the proposed amendments, each of these educational, health care, and disability needs would be addressed at each stage of the proceedings and in the court's orders.

New Rules 147 and 1147 provide for the appointment and duties of an educational decision maker. If, at any time, the court determines a juvenile or a child is in need of an educational decision maker, the court shall appoint an appropriate person to fulfill this role.

As early as the detention or shelter care hearing, pursuant to Rules 242 and 1242, the court must inquire about any special needs of the juvenile or child. Then, as the case progresses to the dispositional, dispositional review, commitment review, and permanency hearings, pursuant to Rules 512, 515, 610,

1512, 1515, and 1609, the court must ensure that the identified needs are addressed at the hearing and in its order following the hearing.

Rules 513 and 1154 require the juvenile probation officer or the guardian *ad litem* to make specific recommendations concerning these needs.

### **Other Amendments**

The other proposed amendments to these rules relate to the reasonable efforts made to prevent placement and *ex parte* communications.

The Committee has noticed that courts, when placing a juvenile or child, are not explaining why there are no less restrictive alternatives available in their orders. The Committee is proposing that courts must be required to state specific reasons, rather than merely a statement that there are no less restrictive alternative available. These amendments can be found in Rules 512, 1240, 1242, and 1512.

In Rule 512, the Committee is proposing language concerning *ex parte* communications. The Committee has been including this language when updating its rules. See Rules 1406 and 1512.

**PART B(1)**  
**EDUCATION AND HEALTH OF CHILD**

**147. Educational decision maker.**

**RULE 147. EDUCATIONAL DECISION MAKER.**

**A. Generally. At any proceeding or upon motion, if the court determines a juvenile is in need of an educational decision maker, the court shall appoint an educational decision maker for the juvenile.**

**B. Duties. The educational decision maker shall ensure:**

- 1) the juvenile's educational stability;**
- 2) the juvenile is receiving appropriate education, including any necessary special education, early intervention, or remedial services;**
- 3) juveniles, who are sixteen years of age or older, are receiving the necessary educational services to transition the juvenile to independent living, if and when appropriate; and**
- 4) juveniles, who are aging out of care within 90 days, are receiving a transition plan that addresses the juvenile's educational needs if appropriate.**

**COMMENT**

**The educational decision maker should refer to the Fostering Connections Act (P.L. 110-351) and the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.) for guidance in educational stability. The educational decision maker should ensure the right to: 1) educational stability, including the right to: a) remain in the same school regardless of a change in placement when it is in the child's best interest; b) immediate enrollment when a school change is in the child's best interest; and c) have school proximity considered in all placement changes, 42 U.S.C. § 675(1)(G), 42 U.S.C. § 11431 et seq.; 2) an appropriate education, including any necessary special education, early intervention, or remedial services pursuant to 55 Pa. Code § 3130.87, 24 P.S. §13-1371, 1372, 20 U.S.C. §1400 et seq.; 3) educational services necessary to support the child's transition to independent living pursuant to 42 Pa.C.S. § 6351 if the child is sixteen or older; and 4) a transition plan that addresses the child's educational needs pursuant to 42 USC § 675(5)(H) if the child will age out of care within 90 days.**

**PART B(2)**  
**COUNSEL**

## **RULE 242. DETENTION HEARING**

A. **Informing juvenile of rights.** Upon commencement of the hearing, the court shall:

- 1) provide a copy of the written allegation to the juvenile and the juvenile's guardian, if present;
- 2) inform the juvenile of the right to counsel and to assigned counsel; and
- 3) inform the juvenile of the right to remain silent with respect to any allegation of delinquency.

B. **Manner of hearing.**

- 1) **Conduct.** The hearing shall be conducted in an informal but orderly manner.
- 2) **Recording.** If requested by the juvenile or the Commonwealth, or if ordered by the court, the hearing shall be recorded by appropriate means. If not so recorded, full minutes of the hearing shall be kept.
- 3) **Testimony and evidence.** All evidence helpful in determining the questions presented, including oral or written reports, may be received by the court and relied upon to the extent of its probative value even though not competent in the hearing on the petition. The juvenile's attorney, the juvenile, if unrepresented, and the attorney for the Commonwealth shall be afforded an opportunity to examine and controvert written reports so received.
- 4) **Juvenile's rights.** The juvenile shall be present at the detention hearing and the juvenile's attorney or the juvenile, if unrepresented, may:
  - a) cross-examine witnesses offered against the juvenile; and
  - b) offer evidence or witnesses, if any, pertinent to the probable cause or detention determination.

C. **Findings.** The court shall determine whether:

- 1) there is probable cause that a delinquent act was committed by the juvenile; **[and]**
- 2) detention of the juvenile is warranted; **and**

**3) there are any conditions that the court deems necessary to address the special needs of the juvenile while in detention.**

D. **Filing of petition.** If a juvenile remains detained after the hearing, a petition shall be filed with the clerk of courts within twenty-four hours or the next court business day.

**E. Court's order. At the conclusion of the detention hearing, the court shall enter a written order setting forth its findings pursuant to paragraph (C).**

**COMMENT**

A detention hearing consists of two stages. The first stage of a detention hearing is a probable cause hearing. If probable cause is not found, the juvenile is to be released. If probable cause is found, then the court is to proceed to the second stage.

The second stage of a detention hearing is a detention determination hearing. The court should hear pertinent evidence concerning the detention status of the juvenile, review and consider all alternatives to secure detention, and determine if the detention of the juvenile is warranted.

**An additional determination is required in paragraph (C)(3) although this is not a third stage of the detention hearing. It is important that the court address any special needs of the juvenile while the juvenile is in detention. The juvenile's attorney or the juvenile probation officer is to present any special needs to the court if known at the time of the hearing. Special needs may include special education needs, early intervention, remedial services, and health care and disability needs. If the court determines a child is in need of an educational decision maker, the court is to appoint an educational decision maker pursuant to Rule 147.**

**When addressing the juvenile's health care and disability needs, the court's order should address the right of: 1) a juvenile to receive timely and medically appropriate screenings and healthcare services, 42 USC § 1396d(r), 55 Pa. Code § 3800.32; and 2) a juvenile with disabilities to receive necessary accommodations, 42 U.S.C. § 12132; 28 C.F.R. 35.101 et seq., Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, and implementing regulations at 45 C.F.R. § 84.1 et seq.**

**Pursuant to the Juvenile Act, the court has authority to order a physical or mental examination of a juvenile and medical or surgical treatment of a minor, who is suffering from a serious physical condition or illness which requires prompt treatment in the opinion of a physician. The court may order the treatment even if the guardians have not been given notice of the pending hearing, are not available, or without good cause inform the court that they do not consent to the treatment. 42 Pa.C.S. § 6339(b).**

The procedures of paragraph (D) deviate from the procedures of the Juvenile Act. See 42 Pa.C.S. § 6331. Under paragraph (D), a petition does not have to be filed within twenty-four hours of the juvenile's detention; rather, the petition should be filed within twenty-four hours of the conclusion of the detention hearing if the juvenile is detained. See Rule 800. If the juvenile is not detained, a petition may be filed at any time prior to the adjudicatory hearing. However, the juvenile's attorney should have sufficient notice of the allegations prior to the adjudicatory hearing to prepare for the defense of the juvenile. **See Rule 330 for petition requirements, Rule 331 for service of the petition, and [See] Rule 363 for time of service. [See Rule 331 for service of the petition. See Rule 330 for petition requirements.]**

See 42 Pa.C.S. §§ 6332, 6336, and 6338 for the statutory provisions concerning informal hearings and other basic rights.

**Official Note:** Rule 242 adopted April 1, 2005, effective October 1, 2005.

## **RULE 512. DISPOSITIONAL HEARING**

A. **Manner of hearing.** The court shall conduct the dispositional hearing in an informal but orderly manner.

- 1) **Evidence.** The court shall receive any oral or written evidence that is helpful in determining disposition, including evidence that was not admissible at the adjudicatory hearing.
- 2) **Opportunity to be heard.** Before deciding disposition, the court shall give the juvenile and the victim an opportunity to make a statement.

B. **Recording.** The dispositional hearing shall be recorded. The recording shall be transcribed:

- 1) at the request of a party;
- 2) pursuant to a court order; or
- 3) when there is an appeal.

C. **Ex parte Communication.**

**1) Except as provided by these rules, no person shall communicate with the court in any way.**

**2) If the court receives any ex parte communication, the court shall inform all parties of the communication and its content.**

[C]D. **Duties of the court.** The court shall determine on the record that the juvenile has been advised of the following:

- 1) the right to file a post-dispositional motion;
- 2) the right to file an appeal;
- 3) the time limits for a post-dispositional motion and appeal;
- 4) the right to counsel to prepare the motion and appeal;
- 5) the time limits within which the post-dispositional motion shall be decided; and
- 6) that issues raised before and during adjudication shall be deemed preserved for appeal whether or not the juvenile elects to file a post-dispositional motion.

**E. Court's findings. The court shall enter its findings on the record and enter an order pursuant to Rule 515. The court shall state:**

**1) its findings and conclusions that formed the basis of its decision, including the following factors that shall be considered by the court;**

- a) the protection of the community;**
- b) the treatment needs of the juvenile;**
- c) the educational, health care, and disability needs of the juvenile;**
- d) the supervision needs of the juvenile;**
- e) the development of competencies to enable the juvenile to become a responsible and productive member of the community;**
- f) accountability for the offense(s) committed; and**
- g) any other factors that the court deems appropriate;**

**2) the terms and conditions of the disposition;**

**3) if the juvenile is placed:**

- a) the name of any agency or institution that shall provide care, treatment, supervision, or rehabilitation of the juvenile; and**
- b) why the agency or institution is the least restrictive alternative for the juvenile.**

*COMMENT*

Under paragraph (A)(2), for victim's right to be heard, see Victim's Bill of Rights, 18 P.S. § 11.201 *et seq.*

To the extent practicable, the judge or master that presided over the adjudicatory hearing for a juvenile should preside over the dispositional hearing for the same juvenile.

**Under paragraph (C), no *ex parte* communications with the court are to occur. Attorneys and judges understand the impropriety of *ex parte* communications but many participants are not attorneys or judges. This rule ensures that all parties have received the same information that is being presented to the court so that it may be challenged or supplemented. Normal methods of practice and procedure such as motions, scheduling, and communications with court personnel, are not considered *ex parte* communications.**

**Pursuant to paragraph (E), when the court has determined the juvenile is in need of treatment, supervision, and rehabilitation, the court is to consider all the factors in paragraph (E)(1) and state its findings and conclusions on the record.**

Pursuant to paragraph (E)(1)(c), the court should address the juvenile's educational needs. The court's order should address the right to: 1) an educational decision maker, 20 U.S.C. §1439(a)(5), 34 C.F.R. § 300.519; and 2) an appropriate education, including any necessary special education, early intervention, or remedial services, 20 U.S.C. § 1400 et seq., 55 Pa. Code § 3130.87, 24 P.S. § 13-1371, 1372. See also Rule 147 for appointment of an educational decision maker.

The court should also address the juvenile's health care and disability needs. The court's order should address the right of: 1) a juvenile to receive timely and medically appropriate screenings and healthcare services, 42 USC § 1396d(r), 55 Pa. Code § 3800.32; and 2) a juvenile with disabilities to receive necessary accommodations, 42 U.S.C. § 12132; 28 C.F.R. 35.101 et seq., Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, and implementing regulations at 45 C.F.R. § 84.1 et seq.

Pursuant to the Juvenile Act, the court has authority to order a physical or mental examination of a juvenile and medical or surgical treatment of a minor, who is suffering from a serious physical condition or illness which requires prompt treatment in the opinion of a physician. The court may order the treatment even if the guardians have not been given notice of the pending hearing, are not available, or without good cause inform the court that they do not consent to the treatment. 42 Pa.C.S. § 6339(b).

Pursuant to paragraph (E)(4), the court is to state the specific reasons why the agency or institution is the least restrictive placement for the juvenile, rather than a statement that it is the least restrictive alternative available.

**Official Note:** Rule 512 adopted April 1, 2005, effective October 1, 2005. Amended May 17, 2007, effective August 20, 2007.

## **RULE 513. AIDS IN DISPOSITION**

### **A. Social Study.**

**1)** The court may order the preparation of a social study in any case to aid in the decision for disposition.

**2) If a social study is ordered, the study shall address any educational, health care, and disability needs of the juvenile.**

**B. Examinations.** The court may order the juvenile to undergo **health,** psychological, psychiatric, drug and alcohol, or any other examination, as it deems appropriate to aid in the decision for disposition.

**C. Victim-Impact Statement.** The victim may submit a victim-impact statement to the court. If the victim has submitted a victim-impact statement, the court shall accept and consider the victim-impact statement in determining disposition.

#### *COMMENT*

Section 6341(e) of the Juvenile Act requires the court to receive reports and other evidence bearing on the disposition or need of treatment, supervision, or rehabilitation. *In re McDonough*, 430 A.2d 308 (Pa. Super. Ct. 1981).

Paragraph (C) addresses a statement submitted by the victim to the court. For the victim's opportunity to be heard, see Rule 512(A)(2). See also Victim's Bill of Rights, 18 P.S. § 11.201 *et seq.*

## RULE 515. DISPOSITIONAL ORDER

A. **Generally.** When the court enters a disposition, the court shall issue a written order, which provides balanced attention to the protection of the community, accountability for the offenses committed, and development of the juvenile's competencies to enable the juvenile to become a responsible and productive member of the community. The order shall include:

- 1) **the court's findings pursuant to Rule 512(E) [the terms and conditions of the disposition];**
- 2) **the name of any agency or institution that is to provide care, treatment, supervision, or rehabilitation of the juvenile;**
- [3]2) a designation whether the case is eligible pursuant to 42 Pa.C.S. § 6307 (b)(1)(i) for limited public information;
- 3) **any directive relating to the educational, health care, or disability needs of the juvenile;**
- 4) the date of the order; and
- 5) the signature and printed name of the judge entering the order.

B. **Restitution.** If restitution is ordered in a case, the dispositional order shall include:

- 1) a specific amount of restitution to be paid by the juvenile;
- 2) to whom the restitution is to be paid; and
- 3) a payment schedule, if so determined by the court.

C. **Guardian participation.** The court shall include any obligation in its dispositional order imposed upon the guardian.

### *COMMENT*

Pursuant to paragraph (A)([3]2), the court is to determine if the case is eligible for limited public information under the requirements of 42 Pa.C.S. § 6307 (b)(1)(i). See 42 Pa.C.S. § 6307 (b)(2). When the case is designated, the clerk of courts is to mark the file clearly. For information that is available to the public in those eligible cases, see Rule 160.

**Pursuant to paragraph (A)(3), the court should address the juvenile's educational needs. The court's order should address the right to: 1) an educational decision maker, 20 U.S.C. §1439(a)(5), 34 C.F.R. § 300.519; and 2) an appropriate education, including any necessary special education, early intervention, or remedial services, 20 U.S.C. § 1400 et seq., 55 Pa. Code § 3130.87, 24 P.S. § 13-1371, 1372. See also Rule 147 for appointment of an educational decision maker.**

**The court should also address the juvenile's health care and disability needs. The court's order should address the right of: 1) a juvenile to receive timely and medically**

**appropriate screenings and healthcare services, 42 USC § 1396d(r), 55 Pa. Code § 3800.32; and 2) a juvenile with disabilities to receive necessary accommodations, 42 U.S.C. § 12132; 28 C.F.R. 35.101 et seq., Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, and implementing regulations at 45 C.F.R. § 84.1 et seq.**

**Pursuant to the Juvenile Act, the court has authority to order a physical or mental examination of a juvenile and medical or surgical treatment of a minor, who is suffering from a serious physical condition or illness which requires prompt treatment in the opinion of a physician. The court may order the treatment even if the guardians have not been given notice of the pending hearing, are not available, or without good cause inform the court that they do not consent to the treatment. 42 Pa.C.S. § 6339(b).**

See 23 Pa.C.S. § 5503 and 42 Pa.C.S. § 6310.

Dispositional orders should comport in substantial form and content to the Juvenile Court Judges' Commission model orders to receive funding under the federal Adoption and Safe Families Act (ASFA) of 1997 (P.L. 105-89). The model forms are also in compliance with Title IV-B and Title IV-E of the Social Security Act. ## **RULE 610. DISPOSITIONAL AND COMMITMENT REVIEW**

### **A. Dispositional Review Hearing.**

- 1) **[A] The** court may schedule a review hearing at any time.
- 2) In all cases when the juvenile is removed from the home, the court shall hold dispositional review hearings at least every six months.

### **B. Change in dispositional order.** Whenever there is a request for a change in the dispositional order, other than a motion to revoke probation as provided in Rule 612, the court shall give the parties notice of the request and an opportunity to be heard.

- 1) The juvenile may be detained pending a court hearing.
- 2) A detention hearing shall be held within seventy-two hours of the juvenile's detention, if detained.
- 3) The juvenile shall be given a statement of reasons for the discharge from a placement facility or request for change in the dispositional order.
- 4) A review hearing shall be held within twenty days of the discharge from the placement facility or request for change in the dispositional order.

### **C. Advanced Communication Technology.** If the parties agree, commitment and dispositional review hearings may be held by teleconferencing, two-way simultaneous audio-visual communication, or another similar method when a juvenile is committed to a placement facility. The juvenile shall be permitted to communicate fully and confidentially with the juvenile's attorney immediately prior to and during the proceeding.

#### *COMMENT*

Under paragraph (A), the court may hold a review hearing at any time; however, if the juvenile is removed from the home, the court is to conduct a hearing at least every six months. See Rule 800.

**At any hearing, if it is determined that the juvenile is in need of an educational decision maker, the court is to appoint an educational decision maker pursuant to Rule 147.**

Nothing in this rule is intended to prohibit the emergency transfer of a juvenile from a placement facility to a detention facility pending reconsideration of the dispositional order and this rule is not intended to preclude a motion for modification of a dispositional order after the juvenile has been detained.

Some placement facilities are hours away from the dispositional court. Paragraph (C) allows a hearing, when a juvenile is in a placement facility, to be conducted via teleconferencing, two-way simultaneous audio-visual communication, or similar method. The juvenile is to be afforded all the same rights and privileges as if the hearing was held with all present in the courtroom.

**The educational decision maker should refer to the Fostering Connections Act (P.L. 110-351) and the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 *et seq.*) for guidance in educational stability. The educational decision maker should ensure the right to: 1) educational stability, including the right to: a) remain in the same school regardless of a change in placement when it is in the child's best interest; b) immediate enrollment when a school change is in the child's best interest; and c) have school proximity considered in all placement changes, 42 U.S.C. § 675(1)(G), 42 U.S.C. § 11431 *et seq.*; 2) an appropriate education, including any necessary special education, early intervention, or remedial services pursuant to 55 Pa. - 9) Advise the court of the child's wishes to the extent that they can be ascertained and present to the court whatever evidence exists to support the child's wishes. When appropriate because of the age or

mental and emotional condition of the child, determine to the fullest extent possible the wishes of the child and communicate this information to the court.

If there is a conflict of interest between the duties of the guardian *ad litem* pursuant to paragraphs (7) & (9), **the guardian *ad litem* for the child may move the court for appointment as legal counsel and assignment of a separate guardian *ad litem* when, for example, the information that the guardian *ad litem* possesses gives rise to the conflict and can be used to the detriment of the child. **RULE 1240. SHELTER CARE APPLICATION**

**A. Filings.** A shelter care application may be oral. Within twenty-four hours of exercising protective custody pursuant to Rule 1210, the county agency shall reduce to writing and file a shelter care application with the Juvenile Court.

**B. Application contents.** Every shelter care application shall set forth plainly:

- 1) the name of the applicant;
- 2) the name, date of birth, and address of the child, if known;
- 3) the name and address of the child's guardian, or if unknown, the name and address of the nearest adult relative;
- 4) the date that the child was taken into custody;
- 5) a concise statement of facts in support of the allegation of dependency;
- 6) **[if a child is in shelter care,]** a statement **detailing:**
  - a) the [that] reasonable efforts made to prevent placement; **[were made]** and**

- 8) the signature of the applicant and the date of the execution of the application; and

- 9) the whereabouts of the child unless the county agency has determined it would pose a risk to the safety of the child or the guardian, or disclosure is prohibited by the court.

### COMMENT

In lieu of a shelter care application, the county agency may file a petition as set forth in Rule 1330.

The primary focus of the shelter care application is to assert that protective custody is needed and the child should remain in the custody of the county agency. A shelter care hearing is to be held within seventy-two hours of taking the child into protective custody. See Rule 1242(D).

**Pursuant to paragraph (B)(6), the application is to contain a statement detailing the reasonable efforts made to prevent placement and the specific reasons why there are no less restrictive alternatives available. This statement may include information such as: 1) the circumstances of the case; 2) contact with family members or other kin; 3) the child's special needs, including educational stability and health care needs; and 4) any need for emergency actions.**

## **RULE 1242. GENERAL CONDUCT OF SHELTER CARE HEARING.**

A. **Informing of rights.** Upon commencement of the hearing, the court shall ensure that:

- 1) a copy of the shelter care application is provided to the parties; and
- 2) all parties are informed of the right to counsel.

B. **Manner of hearing.**

- 1) **Conduct.** The hearing shall be conducted in an informal but orderly manner.
- 2) **Recording.** If requested, or if ordered by the court, the hearing shall be recorded by appropriate means. If not so recorded, full minutes of the hearing shall be kept.
- 3) **Testimony and evidence.** All evidence helpful in determining the questions presented, including oral or written reports, may be received by the court and relied upon to the extent of its probative value even though not competent in the hearing on the petition. The child's attorney, the guardian, if unrepresented, and the attorney for the guardian shall be afforded an opportunity to examine and controvert written reports so received.

C. **Findings.** The court shall determine whether:

- 1) there are sufficient facts in support of the shelter care application;
- 2) custody of the child is warranted **by finding that**:
  - [3]** a) remaining in the home would be contrary to the welfare and best interests of the child;
  - b) reasonable efforts were made by the county agency to prevent the child's placement;
  - c) the child's placement is the least restrictive placement that meets the needs of the child, stating the reasons why there are no less restrictive alternatives available; and [or]**
  - [c]d) the lack of efforts was reasonable** in the case of an emergency placement where services were not offered, **[whether the lack of efforts were reasonable]**; and
- [4]3) a person, other than the county agency, submitting [if]** a shelter care application, **[is submitted by a person other than the county agency, the**

**court shall make a determination if the person]** is a party to the proceedings.

D. **Prompt hearing.** The court shall conduct a hearing within seventy-two hours of taking the child into protective custody.

E. **Court order.** At the conclusion of the shelter care hearing, the court shall enter a written order as to the following:

- 1) its findings pursuant to paragraph (C);
- 2) any conditions placed upon any party;
- 3) any orders for placement or temporary care of the child; **[and]**
- 4) **any findings or orders that address the stability and appropriateness of the child's education;**
- 5) **any findings or orders that identify, monitor, and address the health care and disability needs of the child; and**
- 6) any orders of visitation.

#### COMMENT

**Pursuant to paragraph (C), the court is to make a determination that the evidence presented with the shelter care application under Rule 1240 is supported by sufficient facts. After this determination, the court is to determine that the custody of the child is warranted by finding that: 1) remaining in the home would be contrary to the health and welfare of the child; 2) reasonable efforts were made by the county agency to prevent the placement of the child; 3) the child was placed in the least restrictive placement available; and 4) if the child was taken into emergency placement without services being offered, there is to be evidence that the lack of efforts was reasonable. Additionally, the court is to state the reasons why there are no less restrictive alternatives available.**

**Pursuant to [Under] paragraph (C)([4]3), the court is to determine whether or not a person is a proper party to the proceedings. Regardless of the court's findings on the party status, the court is to determine if the application is supported by sufficient evidence.**

**Under paragraph (D), the court is to ensure a timely hearing.**

**[Under paragraph (E), the court is to include in its order specific findings that: 1) there are sufficient facts in support of the dependency petition; 2) custody of the child is warranted; and 3) remaining in the home would be contrary to the welfare and best interests of the child, or reasonable efforts were made by the county agency to prevent the child's placement, or in the case of an emergency placement where services were not offered, whether the lack of efforts were reasonable.]**

**See 42 Pa.C.S. § 6332.**

**Pursuant to paragraph (E), the court is to enter a written order. It is important that the court address any special needs of the child while the juvenile is in shelter care. The child's attorney or the county agency is to present any special needs to the court if known at the time of the hearing. Special needs may include special education needs, early intervention, remedial services, and health and disability needs. If the court determines a child is in need of an educational decision maker, the court is to appoint an educational decision maker pursuant to Rule 1147.**

**When addressing the child's health and disability needs, the court's order should address the right of: 1) a child to receive timely and medically appropriate screenings and healthcare services, 42 USC § 1396d(r), 55 Pa. Code § 3800.32; and 2) a child with disabilities to receive necessary accommodations, 42 U.S.C. § 12132; 28 C.F.R. 35.101 et seq., Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, and implementing regulations at 45 C.F.R. § 84.1 et seq.**

**Pursuant to the Juvenile Act, the court has authority to order a physical or mental examination of a child and medical or surgical treatment of a minor, who is suffering from a serious physical condition or illness which requires prompt treatment in the opinion of a physician. The court may order the treatment even if the guardians have not been given notice of the pending hearing, are not available, or without good cause inform the court that they do not consent to the treatment. 42 Pa.C.S. § 6339(b).**

Nothing in this rule prohibits informal conferences, narrowing of issues, if necessary, and the court making appropriate orders to expedite the case through court. The shelter care hearing may be used as a vehicle to discuss the matters needed and narrow the issues. The court is to insure a timely adjudicatory hearing is held.

See 42 Pa.C.S. § 6339 for orders of physical and mental examinations and treatment.

See Rule 1330(A) for filing of a petition.

## **RULE 1512. DISPOSITIONAL HEARING**

A. **Manner of hearing.** The court shall conduct the dispositional hearing in an informal but orderly manner.

- 1) **Evidence.** The court shall receive any oral or written evidence which is helpful in determining disposition, including evidence that was not admissible at the adjudicatory hearing.
- 2) **Opportunity to be heard.** Before deciding disposition, the court shall give the parent, child's foster parent, preadoptive parent, relative providing care for the child and court appointed special advocate, if assigned, an opportunity to make a statement.

B. **Recording.** The dispositional hearing shall be recorded. The recording shall be transcribed:

- 1) pursuant to a court order; or

**D. Duties of the court. The court shall determine on the record that the parties have been advised of the following:**

- 1) the right to file an appeal;**
- 2) the time limits for an appeal; and**
- 3) the right to counsel to prepare the appeal.**

**E. Court's findings. On the record, the court shall state:**

- 1) its findings and conclusions that formed the basis of its decision consistent with 42 Pa.C.S. § 6351;**
- 2) the terms and conditions of the disposition;**
- 3) if placed, a finding that:**

- a) remaining in the home would be contrary to the welfare, safety, or health of the child;**
  - b) reasonable efforts were made by the county agency to prevent the child's placement;**
  - c) the child's placement is the least restrictive placement that meets the needs of the child, stating the reasons why there are no less restrictive alternatives available; and**
  - d) if preventive services were not offered due to the necessity of an emergency placement, whether such lack of services was reasonable under the circumstances; and**
- 4) any educational, health care, and disability needs of the child.**

*COMMENT*

To the extent practicable, the judge or master that presided over the adjudicatory hearing for a child should preside over the dispositional hearing for the same child.

Paragraph (A)(2) does not infringe on the right to call witnesses to testify, in addition to those specified individuals. See Rule 1123 for subpoenaing a witness.

For transcription of the record under paragraph (B), see also Rule 1127.

Under paragraph (C), no *ex parte* communications with the court are to occur. Attorneys and judges understand the impropriety of *ex parte* communications but many participants are not attorneys or judges. This rule ensures that all parties have received the same information that is being presented to the court so that it may be challenged or supplemented. Normal methods of practice and procedure such as motions, scheduling, **and** communications with court personnel, are not considered *ex parte* communications.

**Pursuant to paragraph (E)(4), the court should address the child's educational needs. The court's order should address the right to: 1) an educational decision maker, 20 U.S.C. §1439(a)(5), 34 C.F.R. § 300.519; and 2) an appropriate education, including any necessary special education, early intervention, or remedial services, 20 U.S.C. § 1400 et seq., 55 Pa. Code § 3130.87, 24 P.S. § 13-1371, 1372. See also Rule 147 for appointment of an educational decision maker.**

**The court should also address the child's health and disability needs. The court's order should address the right of: 1) a child to receive timely and medically appropriate screenings and healthcare services, 42 USC § 1396d(r), 55 Pa. Code § 3800.32; and 2) a child with disabilities to receive necessary accommodations, 42 U.S.C. § 12132; 28 C.F.R. 35.101 et seq., Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, and implementing regulations at 45 C.F.R. § 84.1 et seq.**

**Pursuant to the Juvenile Act, the court has authority to order a physical or mental examination of a child and medical or surgical treatment of a minor, who is suffering from a serious physical condition or illness which requires prompt treatment in the opinion of a physician. The court may order the treatment even if the guardians have not been given notice of the pending hearing, are not available, or without good cause inform the court that they do not consent to the treatment. 42 Pa.C.S. § 6339(b).**
